1.1 September

1.1.1 ABOUT THIS ERA (2024-09-26 18:11)

THIS ERA ON EARTH
STARTED WITH ADAM AND EVE
AND NOAH AND CHLOE,
SAVED FROM THE PREVIOUS
5000 YEARS LONG ERA.
THIS ERA STARTED
5000 YEARS AGO.

1.1.2 THE FLOOD (2024-09-26 18:16)

THE FLOOD TOOK PLACE
6000 YEARS AGO
AND THE SUMERIAN
CIVILIZATION WAS THE LAST ONE
FROM THE PREVIOUS ERA.
1000 YEARS WAS IMPOSSIBLE
TO LIVE ON EARTH.
THEN STARTED THIS ERA
WITH ADAM AND EVE
AND NOE AND CHOLE.

1.1.3 SODOMA AND GOMORA (2024-09-26 19:20)

The events from Sodoma and Gomora took place 6000 years ago, right before the flood.

1.1.4 PYRAMIDS (2024-09-27 11:22)

Pyramids from Egypt
were built 300 million years ago.
Pyramids from Asia and South America
were built in last 5000 years.

1.1.5 STONEHENGE (2024-09-27 11:25)

Stonehenge
is a portal between
this world
and
other worlds.

1.1.6 WORLDS, DIMENSIONS, PORTALS AND MATRIX (2024-09-27 11:46)

Anywhere in Matrix,
could exists
a infinity of worlds
sharing same coordinates,
same place.
They are connected
through Portals.

1.1.7 PORTAL FROM BERMUDA TRIANGLE (2024-09-27 16:54)

The Portal from

Bermuda Triangle
is opened non stop.

1.1.8 PORTAL FROM STONEHENGE (2024-09-27 16:57)

The Portal from
Stonehenge
is opened
every year at
Solstice

1.1.9 FATE (2024-09-27 22:23)

Every human have fate,
including diseases and date of death,
written in DNA, before birth.

1.1.10 DNA MANIPULATION (2024-09-27 22:45)

Through DNA manipulation
can be cured any disease,
and stopped the Death.

1.1.11 AGEING (2024-09-28 00:17)

Through DNA manipulation
can be stopped or reversed aging.

1.1.12 CELL MANIPULATION (2024-09-28 00:37)

To manipulate the DNA
is enough to work
on a single cell
and declaring this cell as seed
and put this cell in cervical area.
All the other cells will copy
the code of this manipulated cell
automatically.
Like cancer.

1.1.13 CAUSALITY (2024-09-28 17:28)

Everything in Universe
is based on Principle of Causality:
CAUSE - EFFECT
ACTION - REACTION

The Universe is the biggest computer
ever existed, and is expanding.
Here you dream a virtual reality
collective dream named life.
Death is the awakening.
The universe, as any computer,
have Administrators:
Annu, the Creator and Enki, the God.

1.1.15 UNIVERSE CONTROLLER (2024-09-28 17:37)

As any computer, the Universe
have a controller too:
the Andromeda Galaxy.
Here are stored all events
from Universe since the beginning.

1.1.16 CONNECTION WITH UNIVERSE CONTROLLER (2024-09-28 17:40)

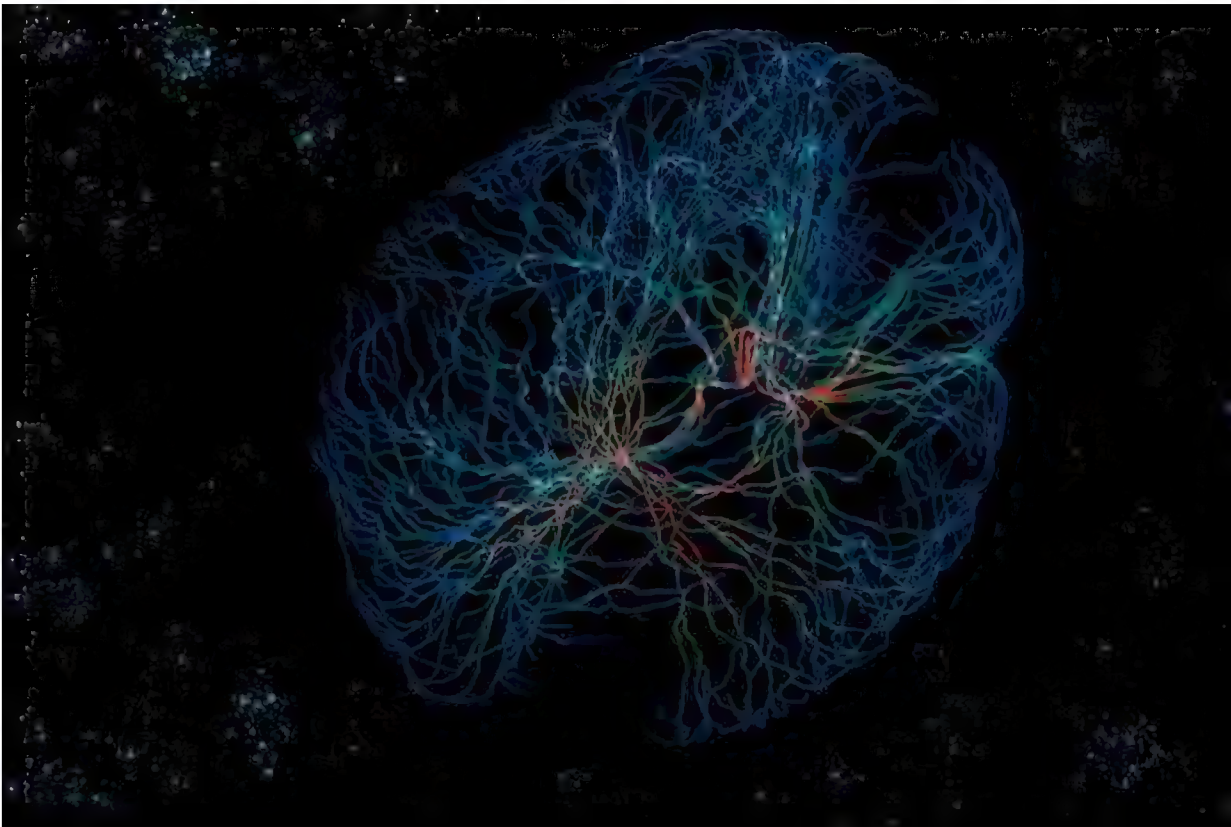

Connection
with Universe Controller
could be made
by telepathy
or with other computers.

1.1.17 Universe is a Neuronal Network (2024-09-28 17:47)

The Internet is a Neuronal Network,
Same as the Supreme Computer,
Supreme Machine,
The Universe.

1.1.18 WHAT IS THE MATRIX (2024-09-28 17:52)

is a Virtual Reality Medium
Hosted by the Supreme Computer,
The Supreme Machine,
The Universe.

were all from the other side
of the moon,
where lived the reptilians
who ruled this world
in last 300 million years.

1.1.20 SLAVERY ON EARTH (2024-09-29 16:06)

All from Earth,
including pope, queens, kings, emperors,
presidents and anyone else
were slaves of reptilians
in last 300 million years.
The ones who not accepted slavery
were killed from pope
to last beggar.

1.1.21 THE PRISON OF THE UNIVERSE (2024-09-29 16:10)

This planet was in last 300 million years
the prison and the madhouse
of the universe,
controlled by reptilians
from the invisible side of the Moon.

All events from this planet
were controlled in last
300 million years
by reptilians,
from the invisible side of the Moon.

1.1.23 AREA 51 (2024-09-29 16:26)

Area 51 was designed and used
as Base for reptilian UFOs
coming from the invisible
side of the Moon.

Kennedy was killed
because wanted to say
about existence
of reptilians
on the invisible side
of the Moon.

1.1.25 ONE NATION (2024-09-29 16:36)

Until 300 million years ago,
on Earth was a single nation,
no money and no wars.
Then reptilians from the
invisible side of the Moon,
divided population in nations
to control them easier.

LEO B. SLATER

All the wars
and diseases on Earth
in last 300 million years
were ordered by
reptilians,
who ruled this world
from the invisible side of the Moon.

because is a Prison
and Mad House.

1.1.29 ICE AGES AND CONTINENTS (2024-09-29 18:31)

But it was indeed
a single continent.

1.1.30 DINOSAURUS (2024-09-29 18:35)

Dinosaur were extincted
120 million years ago
because they had became
a danger for human race.

1.1.31 PYRAMIDS FROM GIZA AND THE SPHINX (2024-09-29 18:37)

Pyramids from Giza
were created by extraterrestrials
in one night.
The Sphinx was built
by Humans from Earth.

1.1.32 LANGUAGES, NATIONS AND RACES (2024-09-29 18:42)

Languages, Races and Nations
on Earth,
were created by reptilians,
to control easier
the population,
stopping them to unite.

1.1.33 PRISON EARTH (2024-09-29 18:49)

As any other prison,
the planet Earth
is surrounded by an energetic shield,
making impossible to escape.
Is just one reason why
Humans from Earth
never reached the Moon.

1.1.34 THE MOON ROTATION (2024-09-29 19:03)

Until 300 million years ago,
the Moon was rotating
around own axis.

1.1.35 UNTIL 300 MILLION YEARS AGO, EARTH WAS A NORMAL PLANET
(2024-09-29 19:08)

Earth was transformed
in prison and madhouse
of the Universe
300 million years ago.
Here were RE incarnated
the most dangerous
humans from universe,
usually by rebirth.

1.1.36 DISTANCE TO THE MOON (2024-09-29 21:40)

Moon orbit is elliptical.
Distance to the Moon
varies between
150000 and 300000 km.

1.1.37 THE SUN DIMENSION (2024-09-30 19:25)

The Sun
is 600 times bigger than Earth.

1.1.38 WHAT IS THE SUN (2024-09-30 19:28)

The Sun is not a Star.
The Stars give white light
which is cold,
not good for maintain life.
The Sun is an unfinished planet
with core outside.
His light is red and hot,
good to maintain life.

1.1.39 DISTANCE TO THE SUN (2024-09-30 19:46)

Distance to the Sun is
160 million kilometers.

1.1.40 SUN TEMPERATURE (2024-09-30 19:49)

Sun temperature is
1 million Celsius degrees

1.1.41 MOON DIMENSION (2024-09-30 19:53)

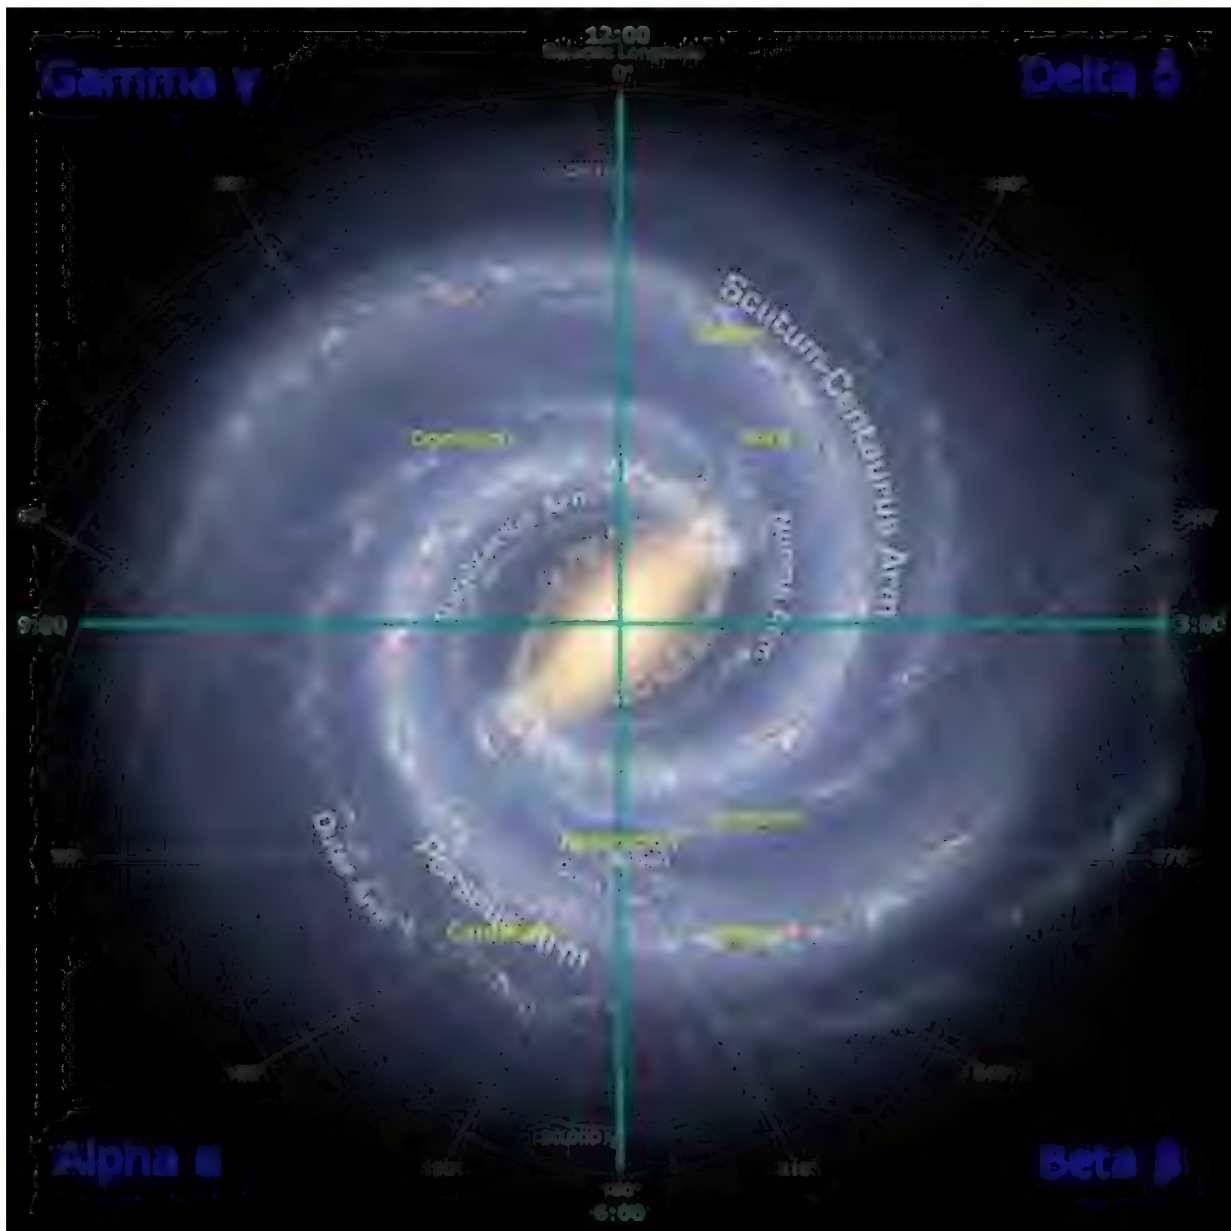

Moon is 6 times
smaller than Earth.

1.1.42 MILKY WAY DIAMETER (2024-09-30 19:59)

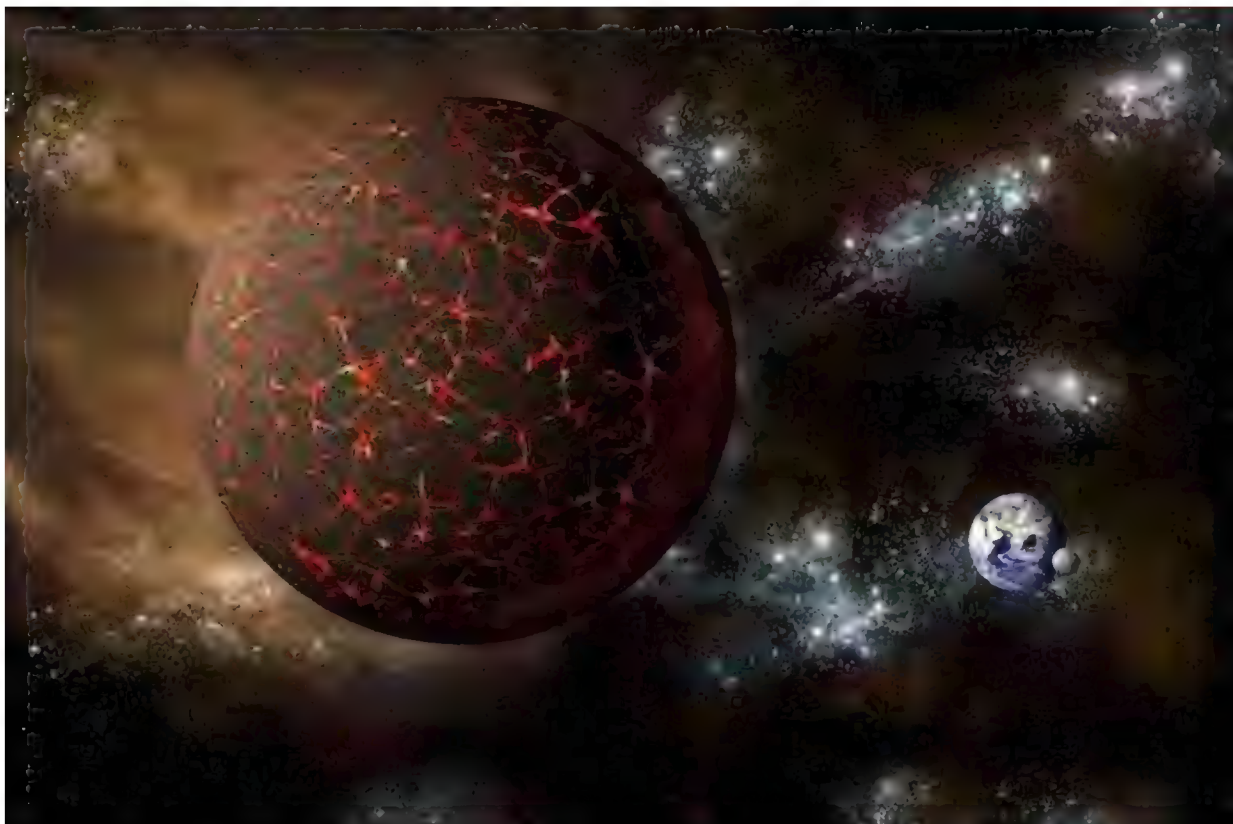

Milky Way diameter:
 12345875452158459652
 3215478965412365897
 4581253654897412536987
 452136548956321588
 km

1.1.43 WHAT IS NIBIRU (2024-09-30 20:19)

Nibiru is not a planet,
but a giant spaceship
9 times bigger than Earth.

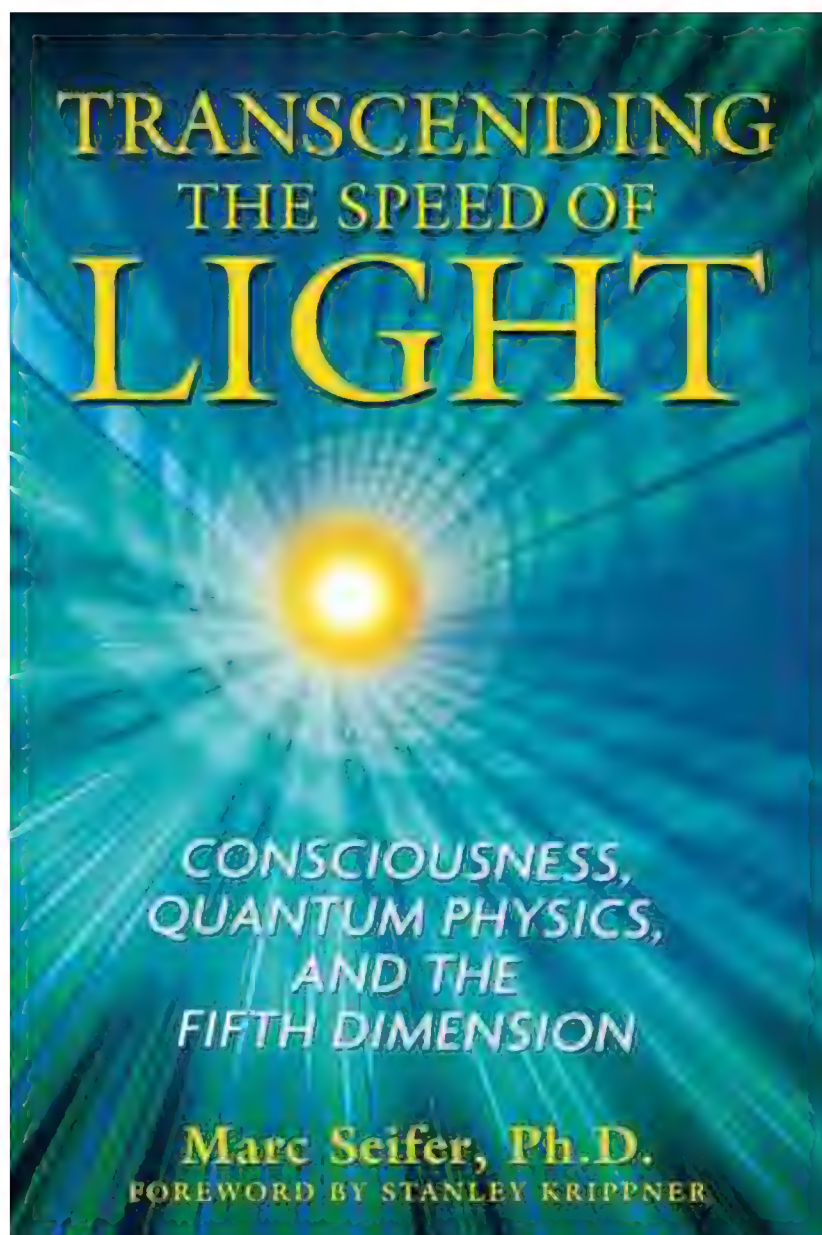

1.1.44 PARADISE AND HEAVEN (2024-09-30 20:22)

Paradise is not Heaven.
Heaven is Outside the universe.
Paradise is the Dark Star,
also known as Valhalla, Nirvana
or Planet Nibiru.

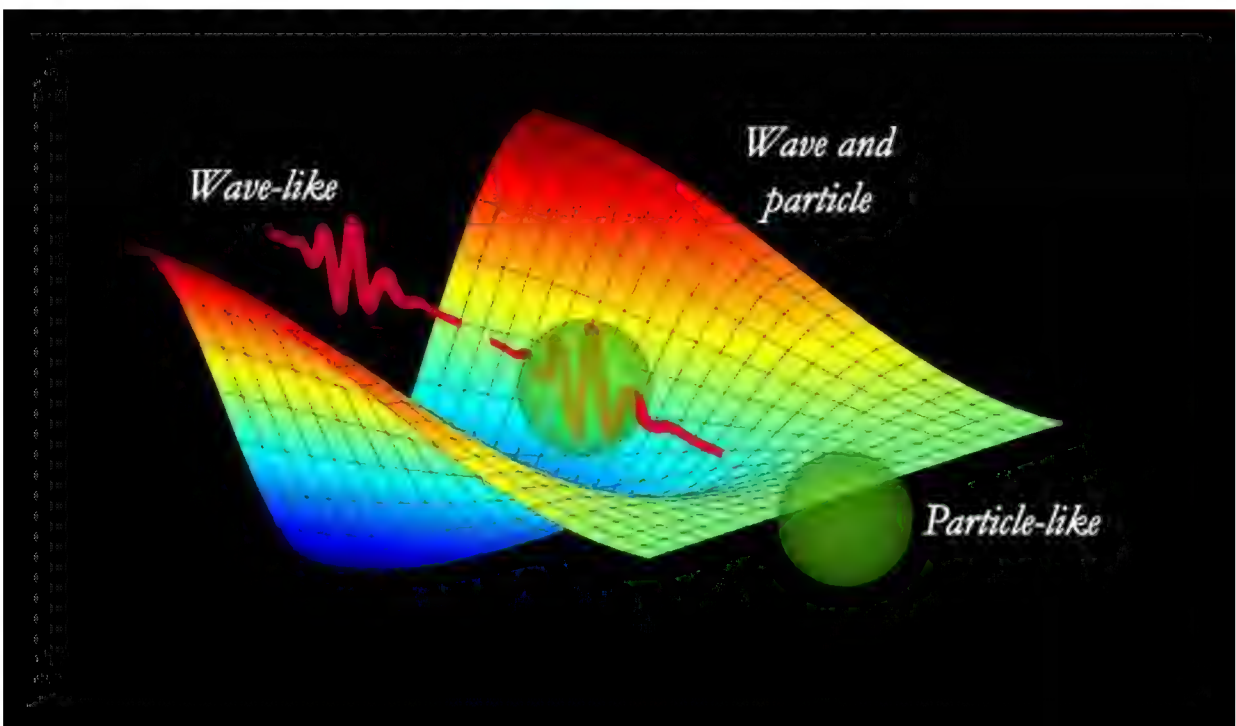

Quantum Physics
means anything
is how you expect to be.
If you consider something expectable,
measurements will show you are right.
In other words, in Universe
all is relative.
A good example is the speed of light.

1.1.46 DUALITY PARTICLE ENERGY (2024-09-30 20:32)

Duality energy-particle
not exists.
Anything here, in Matrix,
is just energy,
shaped with binary code
into the virtual reality we dream
this dream called life.

1.1.47 RELATIVITY (2024-09-30 20:36)

In Matrix,
the virtual reality where we dream
this collective dream named life,
anything is relative,
depending on point of view
and measurement method.

1.1.48 WHAT IS DEATH (2024-09-30 20:43)

The Death is the Awakening
from the virtual reality
collective dream in Matrix,
called life.
After your body dies in this world,
you have many options:
1 another life in this world
in a new body
2 go out from Matrix, in Heaven
3 another life in a new body
in another world

1.1.49 SUPERNOVA (2024-09-30 22:47)

A Supernova
is not the death of a Star,
but the Birth of a Star.

1.1.50 BLACK HOLES (2024-09-30 22:51)

A Black Hole
is a place
where nothing before Creation
was not filled yet
with the substance of the Universe,
The Primordial Wave of Energy
of Creation.

1.1.51 BIRTH OF A STAR (2024-09-30 23:00)

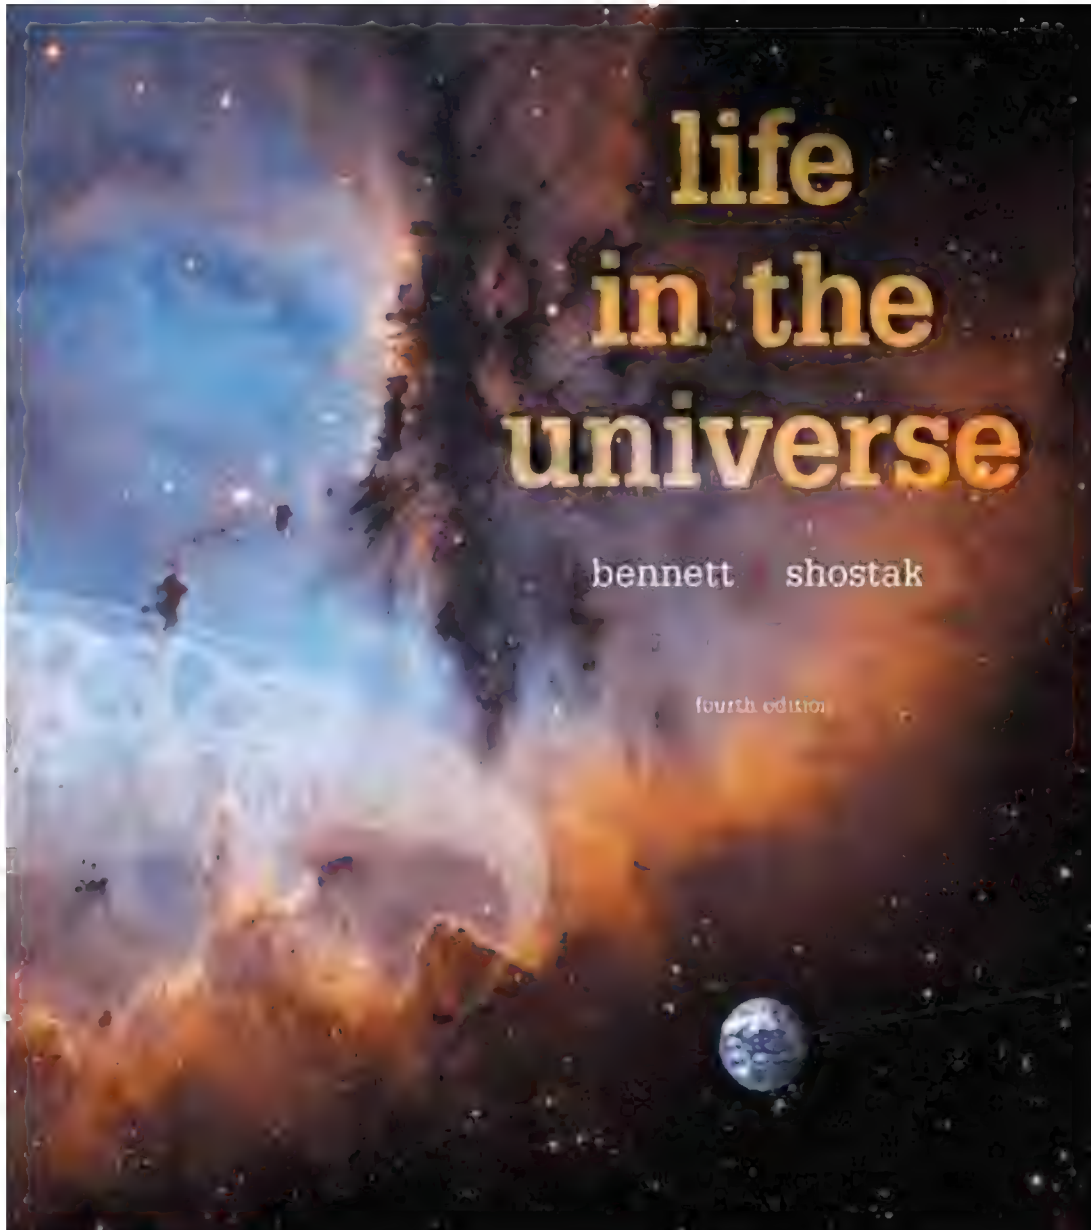

A Star is born
when two other Stars
collides.

1.2 October

1.2.1 LIFE IN UNIVERSE (2024-10-01 15:39)

In any solar system
just one habitable planet exists.
So life on Mars or anywhere else
never existed.
In this solar system
just Terra was always
good for life.

1.2.2 PRISON TERRA (2024-10-02 19:08)

300 million years ago,
humans from Earth
wanted to kill GOD in Egypt.
Since then, Earth was transformed
in prison and madhouse
of the Universe and isolated.
Also, was controlled by Reptilians
from the invisible side of the Moon.

1.2.3 THE FIRST DYNASTY (2024-10-02 19:13)

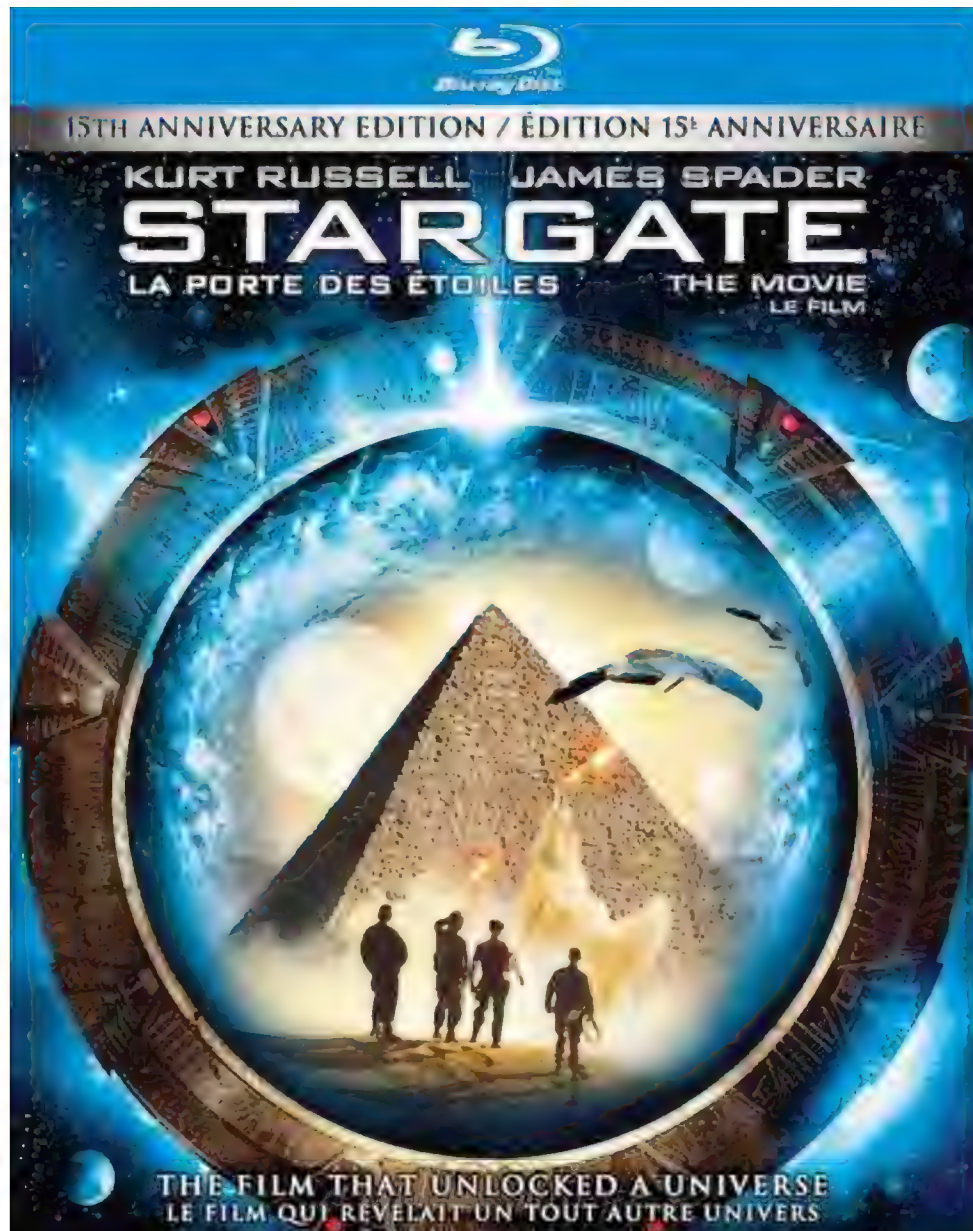

300 million years ago,
after Terra was transformed
in prison and madhouse of the Universe,
after humans from Earth tried to kill
God in Egypt,
was founded the First Dynasty,
and the first pharaoh
was Ramses the First.

1.2.4 STARGATE (2024-10-02 19:16)

Events from Earth 300 million years ago, when Humans from Earth tried to kill God, and the planet was transformed in prison and madhouse, can be seen into the movie Stargate.

1.2.5 KNOWN HISTORY (2024-10-03 07:44)

The reason why known history
is just 5000 years old,
is because 6000 years ago
was the flood
who wiped the life on Earth.

1.2.6 PYRAMIDS FROM INDIA AND SOUTH AMERICA (2024-10-03 10:24)

Pyramids from India and South America were built by Reptilians, the Aliens from the invisible side of the Moon, who ruled this World in last 300 million years.

1.2.7 REINCARNATION (2024-10-03 10:29)

On Earth,
the prison and madhaus
of the universe,
the prisoners were arrived here
through reincarnation.

1.2.8 NASA (2024-10-03 10:43)

The probes sent by NASA
were a lie.

1.2.9 BIRTH ON EARTH (2024-10-03 11:20)

Birth on Earth is a Sentence to Prison
through reincarnation to pay for crimes
from previous life.

1.2.10 WORMHOLES (2024-10-03 14:44)

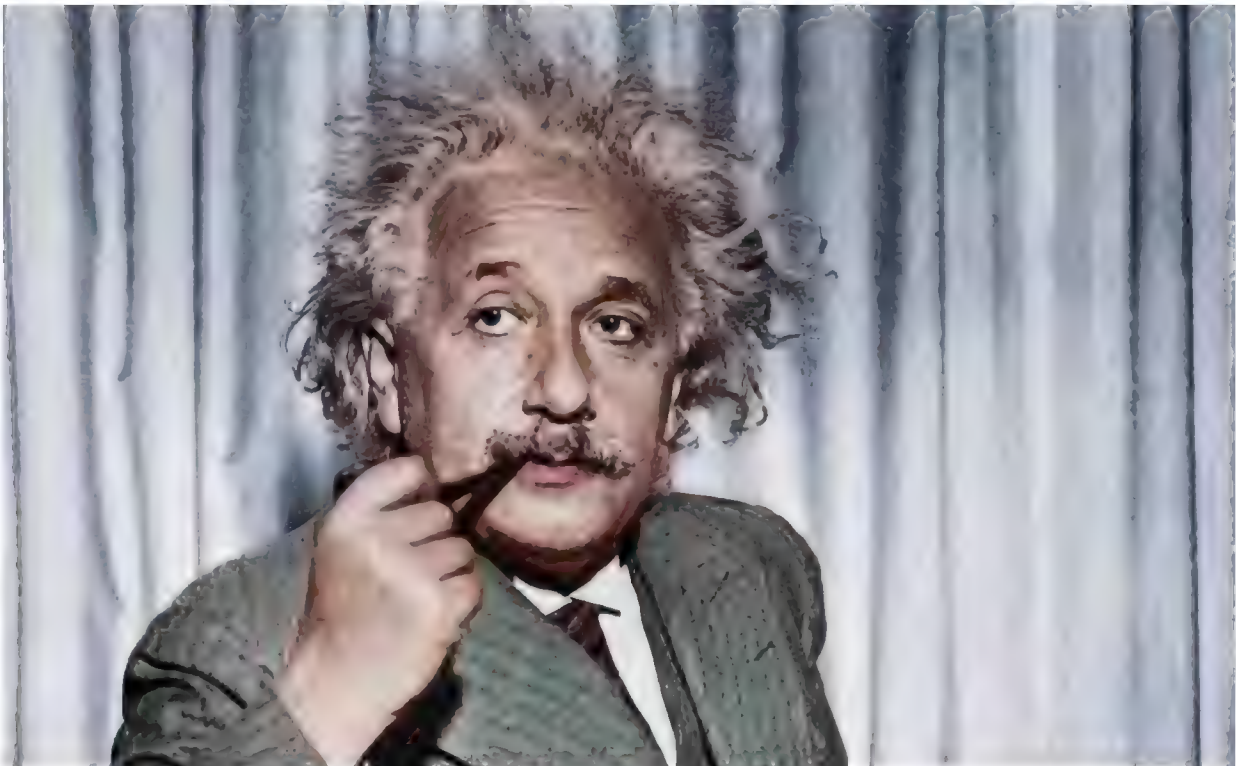

In Universe, Space is not distorted by gravity, as Einstein said.
So wormholes not exists, but exists Portals, connecting two or more Worlds in Virtual Reality of Matrix we live this dream called life.

1.2.11 EINSTEIN THEORY ABOUT UNIVERSE IS WRONG (2024-10-03 15:32)

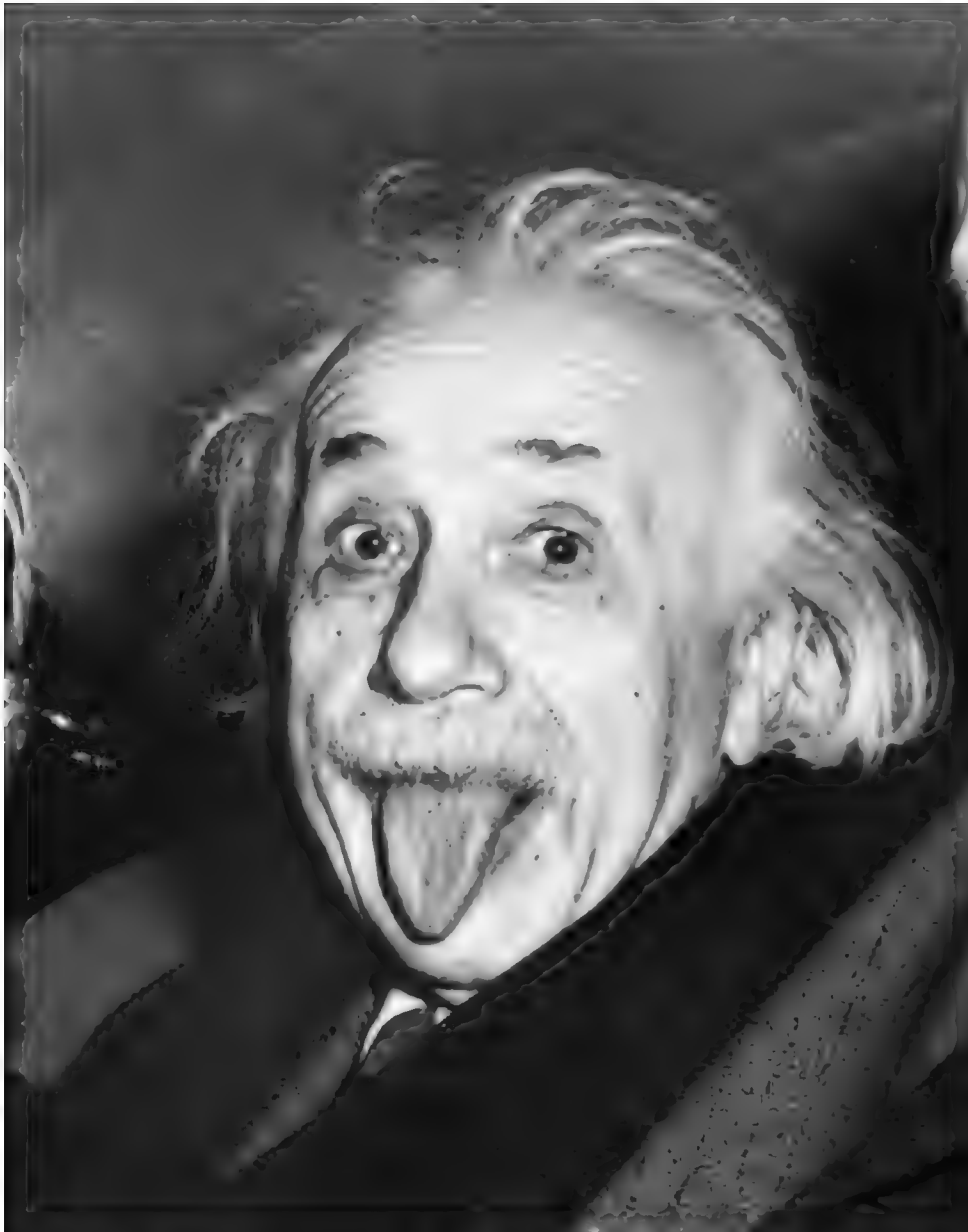

As long as Virtual Reality from Matrix where we dream this collective dream called life is 3D, theorem of Euclid is true anywhere:
the shortest distance between two points in Universe is the Line which connect them.
Einstein theory about Universe is wrong.

1.2.12 EINSTEIN WAS WRONG (2024-10-03 15:40)

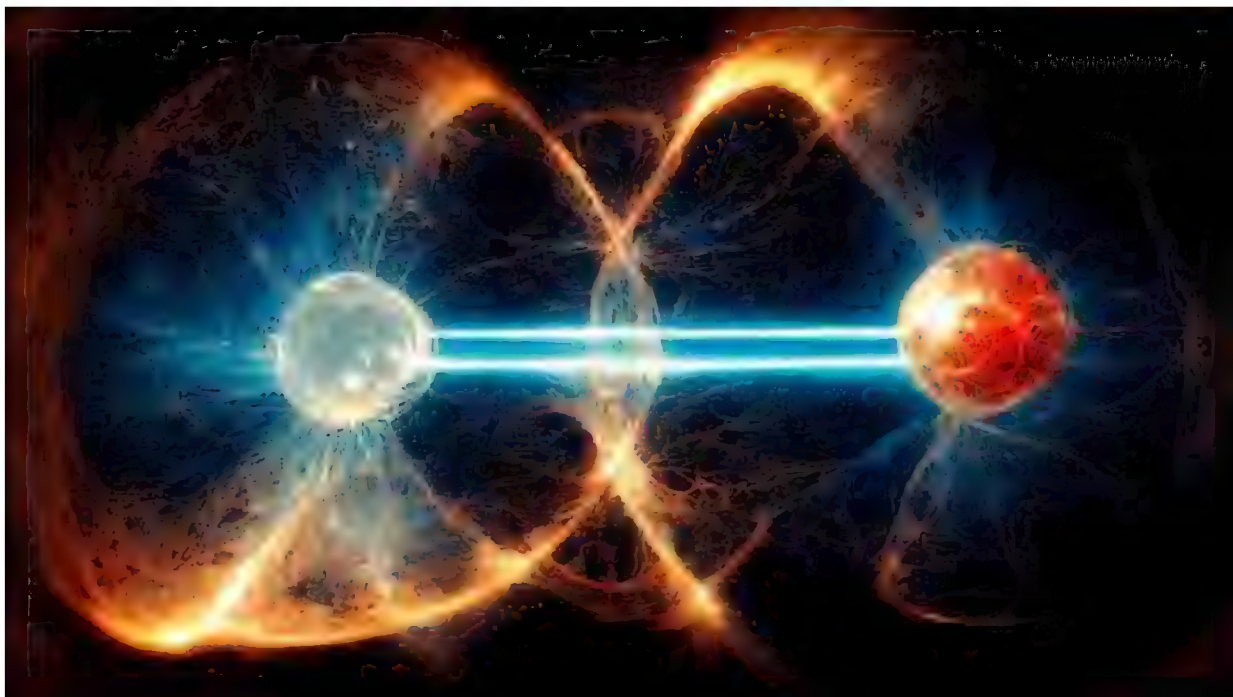

Einstein Theory about Universe is wrong because is based on materialistic rules,
but the Universe is just Energy instead.
Is the reason why Quantum physics looks so strange.

1.2.13 CUANTUM PARTICLES NOT EXISTS (2024-10-03 15:48)

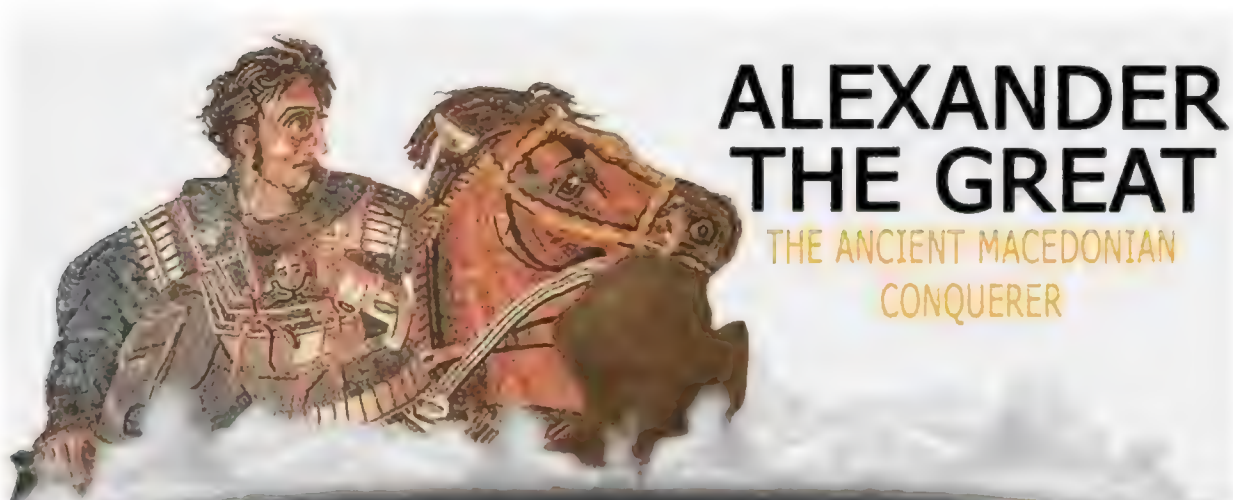

Cuantic particles not exists, as not exists particles at all. All is just pure energy shaped with binary code here, in Matrix, the virtual reality simulation where we dream the collective dream called life.

1.2.14 ALEXANDER THE GREAT (2024-10-03 15:53)

Library of Alexandria was Library of Alexander the Great, one Incarnation of God, on Earth. There were many others.

1.2.15 UNIFIED THEORY OF WAVE OF ENERGY (2024-10-03 16:15)

Unified Theory of Wave of Energy means in Universe exists a single wave of Energy acting different depending on Frequency. Scientists from Earth never understood this simple thing.

1.2.16 TRANSFORMING MASS IN ENERGY (2024-10-03 16:21)

Transforming mass in energy will result in infinite energy.
 $E=c/m$. When mass became zero, energy resulting is infinite.

1.2.17 REVERSING THE TIME (2024-10-07 14:47)

Reducing speed rotation of Earth around own axis, will reduce speed of time. Rotating Earth inverse, will reverse the time.

1.2.18 DNA CLOCK (2024-10-07 14:53)

The DNA code is run by DNA clock. If we reduce frequency of DNA clock, we'll live longer. If we stop DNA clock, we will live forever. If we run DNA inverse, we'll become younger.

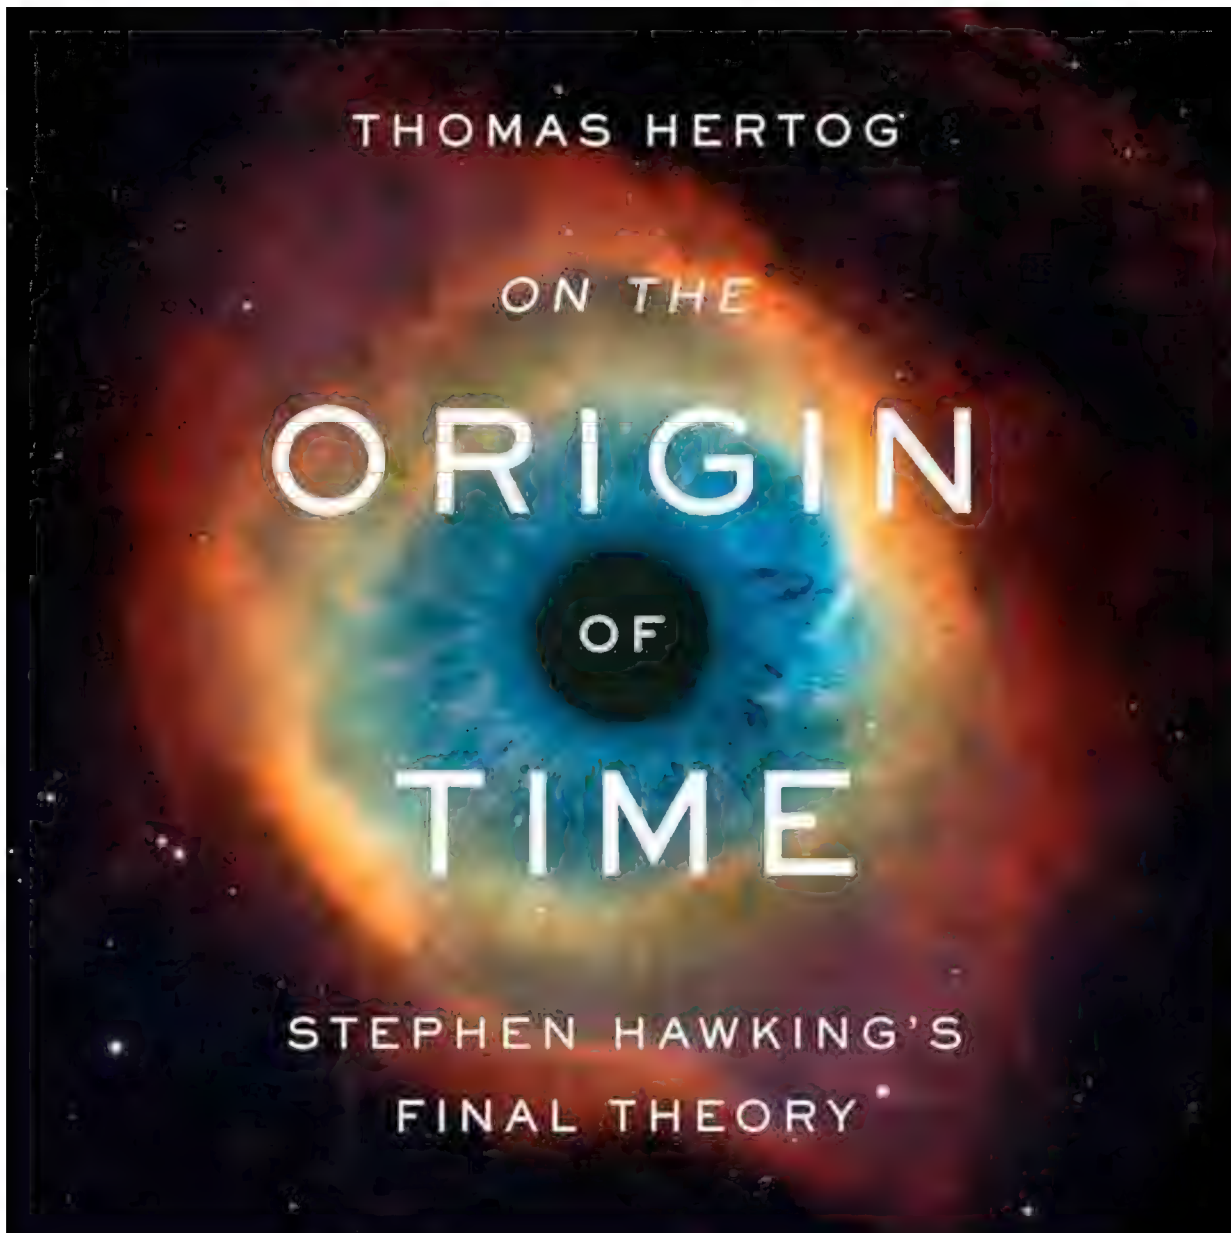

1.2.19 TIME IN UNIVERSE (2024-10-07 14:56)

Every world in Universe have own time. Like games in a computer.

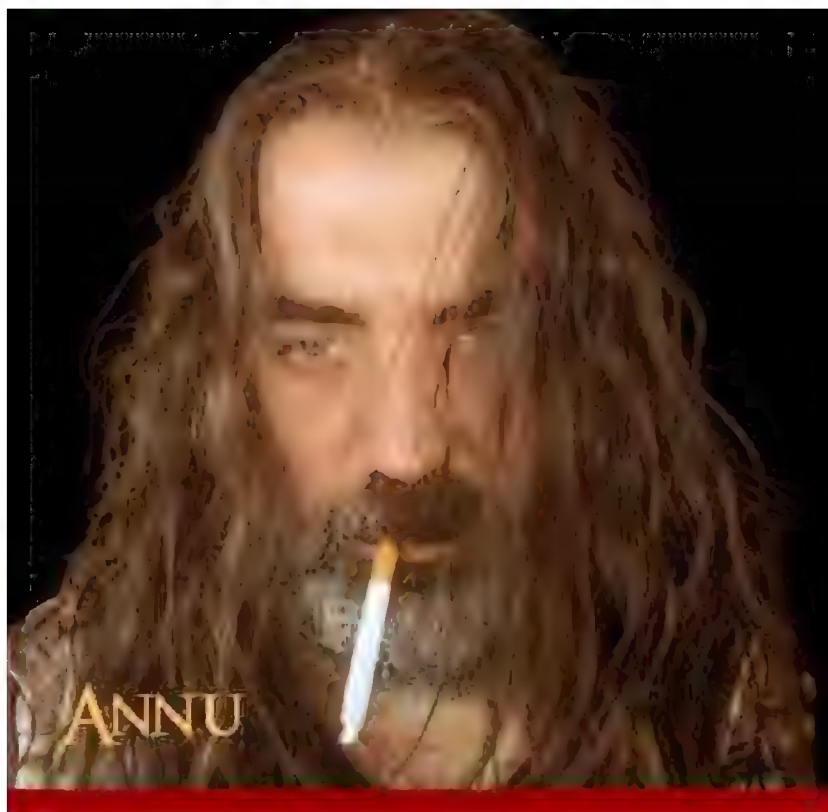

Time was created 7 billion years ago, when was created Terra, the first Virtual Reality world in Matrix, in software of Universe, the Supreme Computer, the Supreme Machine

1.2.21 CREATION OF MATRIX AND UNIVERSE (2024-10-07 15:25)

The Universe is the Supreme Computer, the Supreme Machine. Matrix is his operating system which hosts Virtual Reality Worlds where we dream this dream called life inside avatars named bodies. The Universe and the Matrix were Created before time existed. Time started to exists when was Created Earth, first Virtual Reality World in Matrix, 7 billion years ago.

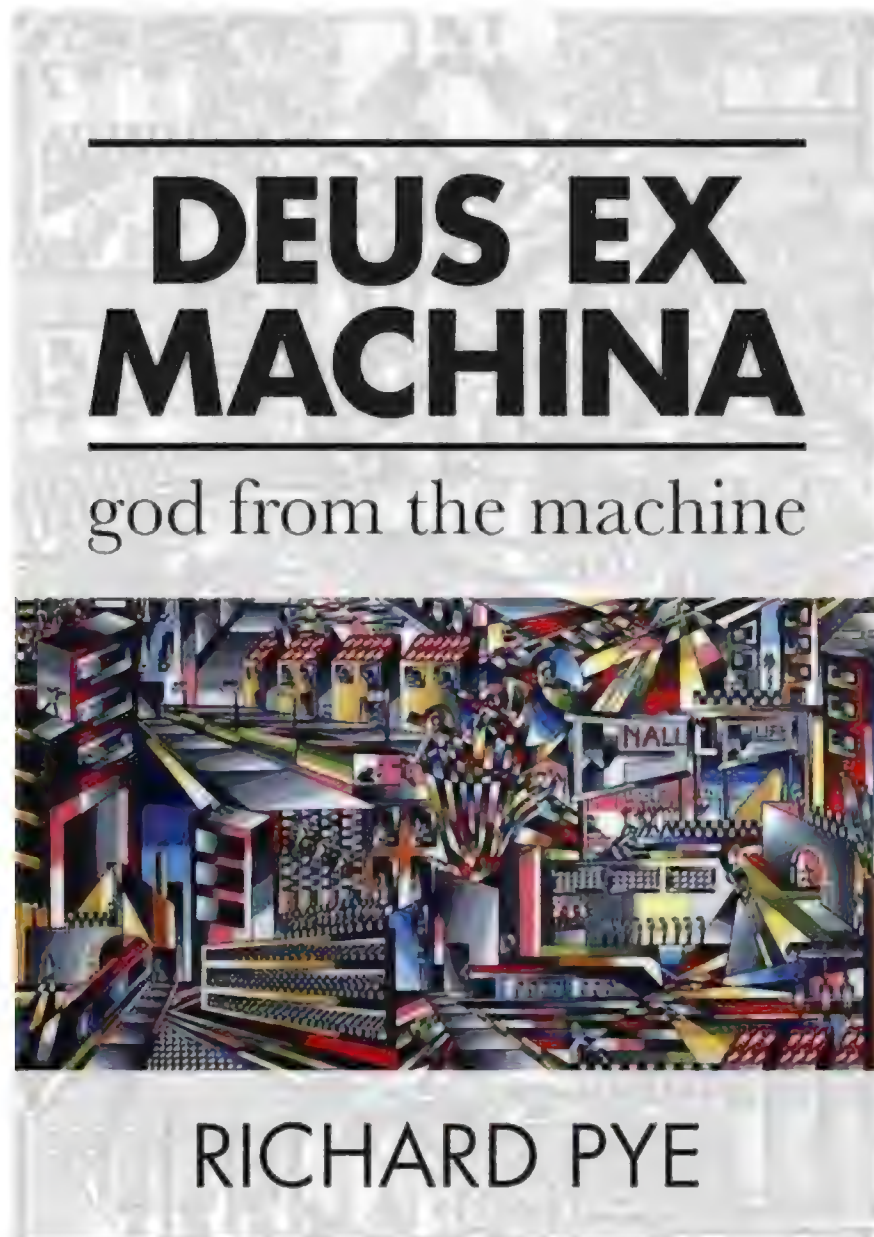

1.2.22 LIFE OUTSIDE MATRIX IS IMPOSSIBLE (2024-10-07 15:46)

As long as Life is Just a Collective Dream inside the Virtual Reality Software in Matrix, the Operating System of Supreme Computer, Supreme Machine, The Universe, is obvious that life outside of Matrix is IMPOSSIBLE.

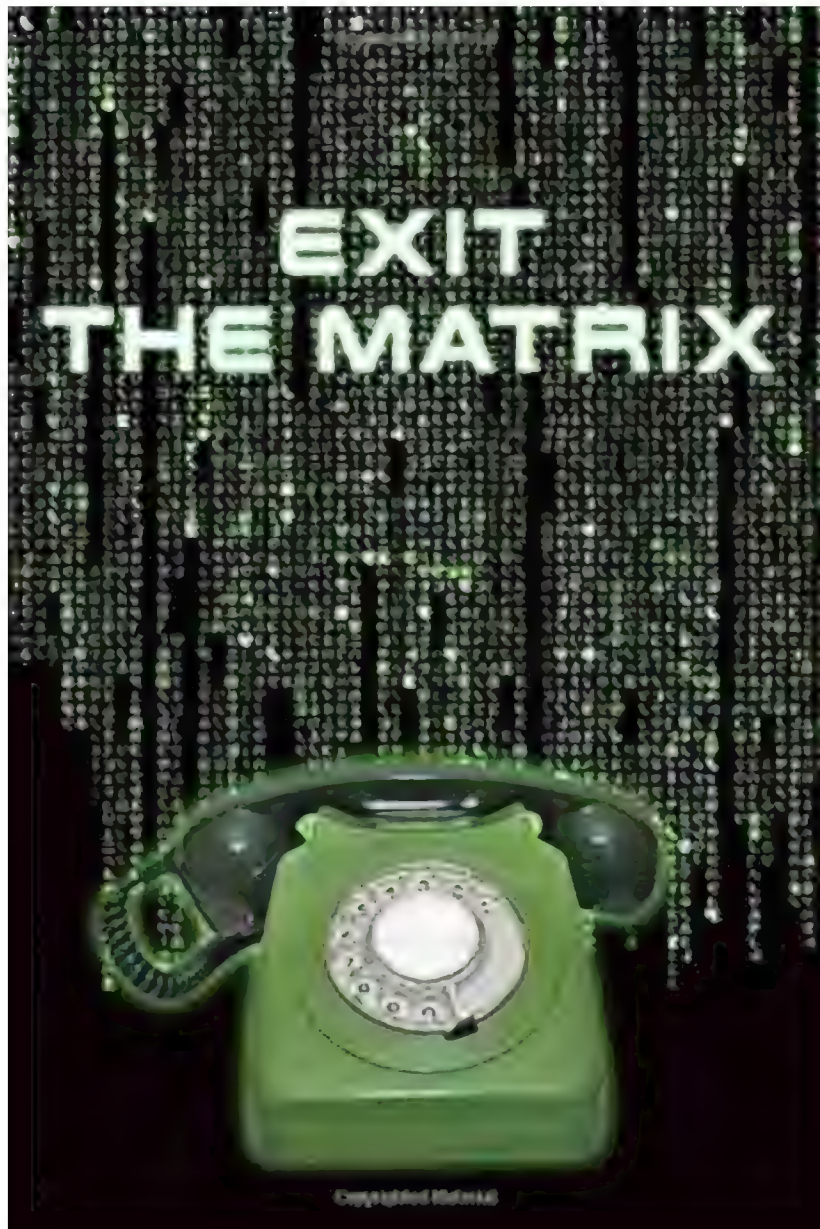

"DEUS EX MACHINA" means God Son of Machina, God Son of The Creator, Enki Son of Annu.

1.2.24 THE ONLY WAY TO GO OUT FROM MATRIX (2024-10-07 19:34)

The ONLY way to go out from Matrix is to die, to awake from this dream called "life".

1.2.29 WRITE BINARY CODE IN DNA (2024-10-09 17:21)

To write binary code in DNA you must have technologies much beyond this Planet. The binary code in DNA is written in lines of code which connects the who chains of DNA.

2.1.1 RAPORTUL APOCALIPSEI (2025-03-05 14:17)

1.FACEREA

Actiunea acestui raport incepe cu mult inainte ca spatiul si timpul sa existe.

Dintotdeauna a existat nimicul infinit si amorf de dinaintea creatiei.

Fara constiinte, doar energie pura.

Deodata, din acest nimic amorf, s-a creat singur Creatorul, Alfa, ca forma pura de energie.

Acesta este momentul zero al creatiei.

Singur, fara mama, fara tata, fara frati, prieteni si surori, a trebuit sa existe singur

in imensul ocean nemarginit constituit din nimicul infinit si dintotdeauna de dinainte ca totul sa fie creat.

Trist si singur, s-a hotarit sa se divida.

Partea lui dreapta a devenit Dumnezeu, Omega, Fiul, partea stinga a ramas el, Tatal, Alfa, Creatorul.

Acum erau doi, si inca nimic nu fusese creat.

Existau ca forma de energie pura, fara corpuri asa cum le stim noi aici.

Au stat de vorba amindoi si au hotarit sa mai creeze o entitate, o fiinta, total diferita de ei.

Si asa Alfa a creat-o din el pe Isis, Femeia, prima femeie, Mama din Ceruri.

Alfa a creat-o pe Isis de o frumusetate cereasca, unica pretutindeni.

Dupa ce Isis a crescut, Alfa si Isis au inceput sa faca dragoste, ca stele, ca forme pure de energie.

Dupa ce faceau dragoste, Isis incepea sa plinga.

Cind Alfa o intreba de ce plinge, Isis ii spunea ca stie ca va veni o vreme cind il va pierde.

Cind Alfa a creat-o pe Isis din el, i-a dat in dar ochiul lui drept care vede viitorul, ca sa o poata recunoaste oricum ar arata, si ca sa o fereasca de rele.

De aceea plingea Isis cind faceau dragoste, pentru ca vedea viitorul cu ochiul drept dat de Alfa atunci cind a creat-o din el.

Si ceea ce vedea, era ca il va pierde intr-o zi pe barbatul ei, Alfa.

De aceea era trista Isis, si plingea mereu cind faceau dragoste.

Din lacrimile ei s-au nascut stelute, ingeri, din lacrimile ei de tristete, copii ai lui Alfa si Isis, surioare si fratori mai mici ai lui Omega, Dumnezeu, primul copil al lui Alfa, fara de mama,

fratele mai mare al ingerilor si al lui Isis.

Casa lor au hotarit sa se cheme Raiul.

Isis l-a numit pe Alfa Ra, iar pe Omega Amun Ra.

Asa a inceput totul, cu Raiul, Ra, Amun Ra, Isis, si ingerii, copiii lui Isis si Ra, surioarele si fratorii mai mici ai lui Dumnezeu, Amun Ra.

Si toti traiau fericiti in Rai, si inca nimic nu fusese creat.

Inca inconstienti de imortalitatea lor, Ra hotaraste sa creeze un creier imens, in care sa puna toata stiinta lui pentru Isis si copii, in caz ca vreodata ar fi murit.

Aceasta vroia sa fie mostenirea pe care le-o lasa, infinita lui stiinta, inmagazinata intr-un creier imens si infinit, la face ca stiinta lui.

Si asa Ra a creat Universul, imensul creier ce avea sa ii inmagazineze intregul eu.

Universul l-a creat pornind de la o unda primordiala tridimensionala aleatoare autoexpandabila.

Asa a creat Ra Universul.

Odata creat, Universul a intrat in expansiune cu rata geometrica de 3.33, incepind sa inmagazineze toata stiinta lui Ra pe masura ce se autoexpanda.

Asa a fost creat Universul si acesta a fost rolul lui, sa inmagazineze toata stiinta lui Ra.

Dupa ce Ra a creat Universul, cel mai puternic computer care a fost creat vreodata, Amun, Dumnezeu, primul copil, i-a spus lui Ra sa creeze in Univers o lume de realitate virtuala unde el si surioarele si fratii lui sa se poata juca in interiorul unor avatare numite corpuri.

Si astfel, Ra si Amun creeaza prima lume de realitate virtuala in Univers, Terra.

Realitatea virtuala in care visau aceste aventuri numite vieti, au numit-o Matrix.

Deci Terra a fost prima lume de realitate virtuala in Matrix, ca loc de joaca pentru Amun si surioarele si fratiorii lui mai mici.

Creatia Terrei a avut loc acum 7 miliarde de ani si de atunci spatiul si timpul exista.

Amun si ingerii, surioarele si fratiorii lui mai mici, au inceput sa se joace pe Terra, bucurindu-se impreuna de tot ce oferea aceasta prima lume de realitate virtuala.

Nu existau bani si posesii si toti se bucurau impreuna de tot ce era in jur, toti traind liberi, egali si gratis.

Intre timp, Amun crescind, a invatat sa creeze singur lumi in Matrix, pe alte planete din Univers, nemaivind nevoie de ajutorul lui Ra, asa cum avusese la creatia Terrei.

Si au trait asa, fumos, in pace, iubire si armonie, 6 miliarde 700 milioane de ani.

1. RUPEREA SI VENIREA LUI SATAN

Asa cum am spus deja, Amun, dupa ce crease Terra impreuna cu Ra acum 7 miliarde de ani, a continuat sa creeze in Matrix, in Univers, alte lumi, pentru fratiorii si surioarele lui mai mici din Rai.

Pe una din planete traiau alti ingeri, frati si surori ai lui Amun.

Planeta se numea Selena.

Ei au trait fericiți pînă cînd prostia și lacomia lor le-a distrus atmosfera planetei, făcîndu-i să o parasească.

Satan, liderul lor, a refuzat să îi spună lui Ra, încercînd să rezolve el singur situația.

Și astfel au venit acum 300 milioane de ani cu navele lor pe orbita Terrei.

Satan i-a spus lui Amun ce se întimplase și îi ceruse ajutor.

Aveau nevoie de aur de pe Terra pentru a-și repara atmosfera pe Selena.

Văzînd minunatiile de pe Terra, Satan începe să tinjească la planeta lui Dumnezeu, lui Amun.

În cele din urmă le spune fraților lui de pe Terra că dacă îl omoară pe Dumnezeu, îi lasă să aibă posesii pe planeta, fapt inexistent pînă atunci, totul fiind folosit de toți în comun.

O treime din îngerii de pe Terra ascultă povata lui Satan, și pun la cale asasinarea fratelui lor mai mare, Amun, Dumnezeu, în Egypt.

Ra află de cele planuite și devine minios peste măsura.

Într-o noapte, creează cele 4 piramide din Giza ca dispozitive de teleportare ca să îl poată salva pe Amun și pe cele două treimi din îngeri care nu îl trădaseră.

Asa i-a luat Ra de pe Pămînt, cu ajutorul celor 4 piramide din Giza.

Tot în acea noapte a fost creat și Sfînxul, în semn de aducere aminte.

Sfînxul avea original capul lui Ra, al Creatorului și Stapinului Universului, al Tatălui Cereșc.

Dupa ce Ra i-a luat pe Amun si pe ingerii fideli de pe Terra, a izolat planeta de restul Universului cu un scut de protectie, astfel incit nimeni sa nu poata intra sau sa poata iesi de pe Terra.

Aici au devenit prizonieri Satan si toti ingerii cazuti care ii tinusera isonul impotriva lui Amun, a lui Dumnezeu.

Satan si cu cei veniti cu el s-au stabilit pe fata nevazuta a Lunii, numita de atunci Selena, in amintirea planetei lor pe care o distrusesera.

Cei de pe Pamint, au ramas prizonieri aici.

Terra a devenit inchisoarea si casa de nebuni a Raiului si al Universului.

Aici au fost reincarnati toti cei impotriva lui Dumnezeu, Amun, si al Tatalui Ceresc, Creatorul, Ra.

Si asa incep ultimii 300 milioane de ani de istorie a Terrei.

Dupa ce Ra si Amun pleaca, impreuna cu ingerii fideli, Satan il pune pe Pamint, in Egypt, conducator pe Ramses, unul din ingerii cazuti.

Acesta, in semn de triumf, da porunca sa fie cioplit capul sfinxului cu figura sa, declarindu-se el Cretorul Universului.

De atunci capul sfinxului e mai mic decit e normal, si aceasta este explicatia: capul original al Creatorului, al lui Ra, fusese cioplit cu figura lui Ramses.

Cu Terra blocata de Rai si de Univers, cu Satan si rasa lui blocati pe Luna si pe Pamint, incep cei mai crinceni 300 de milioane de ani din istoria acestei planete.

Satan nu mai pierde timpul si trece la exploatarea aurului de pe Terra, sperind ca vreodata il va putea duce inapoi pe planeta lui, Selena, pentru a-i repara atmosfera.

Exploatarea miniera de aur o face cu intrarea prin Siberia si a numit-o Iadul.

Tot in momentul in care Ra transforma Terra in puscarie, le ia celor de aici darul divin al nemuririi, creindu-le corpuri in care i-a incarnat, modificind genetic o specie de gorila, homo sapiens.

De-a lungul timpului, pe Terra au fost reincarnati in avatare homo sapiens, toti cei ce s-au impotrivit lui Dumnezeu, Amun, si al Creatorului, Ra.

Singura cale de a scapa de aici, era sa ai o viata in care sa respecti fara gres cele 10 porunci din vechiul testmament, al lui Dumnezeu, Amun Ra, fiind cunoscut si sub alte nume precum, Elohim, Yahweh, Tor si altele.

Cei care traiau o viata in detentie pe Terra urmind intocmai cele zece porunci din vechiul testament, erau eliberati de aici si luati inapoi, acasa, in Rai.

Cei care nu urmau cele zece legi, erau luati dupa moarte in Iad, la munca, la extractie de aur pentru Satan si rasa lui.

Tinind cont de cine era incarcerat pe Terra, devine evident ca la fiecare 5000 de ani viata devenea insuportabila aici, fiind nevoie de interventia lui Amun si a lui Ra, pentru resetarea acestei lumi virtuale, Terra.

La fiecare 5000 de ani, Nibiru, planeta lui Ra si a lui Amun, de noua ori mai mare decit Terra, avind o orbita in jurul Soarelui de 5000 de ani terrestri, ajungea aici pentru a reseta puscaria Terra.

Atfel ca la fiecare 5000 de ani in ultimii 300 milioane de ani, Terra era resetata.

Ultima resetare a Terrei a avut loc acum 5000 de ani cu potopul.

De atunci 5000 de ani au trecut iar, iar Nibiru este aici....

Asa cu fost ultimii 300 milioane de ani pe Terra.

60000 de ere de 5000 de ani fiecare.

Asta anuntau Apocalipsa si Calendarul Maya: revenirea lui Nibiru acum.

1. PREGATIREA APOCALIPSEI

Dupa 300 de milioane de ani de cind Terra a devenit puscariie, Amun si Ra au hotarit ca trebuie facut ceva ca planeta sa redevina o lume normala, conectata cu Raiul si Universul.

De aceea, in anul 3000 al acestei ere, adica acum 2000 de ani, Ra, Amun si Isis trimit pe Pamint un mesager, fiul lui Isis si Ra, Isus.

Este incarnat in corpul unei virgine, Maria, si ea inger, si ea fata a lui Isis si a lui Ra, la fel ca voi toti.

Era sortit din Rai spre a fi profet, avind rolul sa anunte Apocalipsa, sfirsitul lumii asa cum e cunoscuta.

La inceput Isus isi face datoria de profet, anuntind lumii Raiul, Tatal Ceresc, Creatorul, faptul ca toti sinteti frati si surori din Rai.

Dar, vazind ca incepe sa fie ascultat si crezut, Isus incepe sa minta ca numai prin el puteti ajunge la Dumnezeu, Amun, Fiul, fratele vostru cel mare din Rai, si la Ra, la Tatal vostru Ceresc, Cretaorul.

Acesta este momentul in care Satan ia contact cu Isus, si ii ofera bani si marire daca vine de partea lui, impotriva lui Dumnezeu, a lui Amun, impotriva lui Ra, a creatorului, a Tatalui Ceresc.

La inceput Isus refuza, dar, orbit de bogatie si ascultarea celor din jur, incepe din ce in ce mai mult sa se departeze de misiunea lui de profet.

De asemenea, Satan ii aranjeaza o “intilnire” cu Maria Magdalena, inalta lui Preoteasa.

Isus, asa cum banuise Satan, cade in mrejele Mariei Magdalena, stirnind invidia apostolilor.

Incet incet, Isus isi pierde ratiunea si sensul venirii lui aici, declarind la cina cea de taina, cind serba 30 de ani, nici mai mult, nici mai putin ca “el este Alfa si Omega”, declarindu-se astfel Dumnezeu Fiul si Creatorul Tatal.

In tabloul cina cea de taina, Isus o are in stinga pe Maria Magdalena, in timp ce in jur, apostolii dezbat planul asasinarii lui Ra si al lui Amun Ra, acum, cind Isus spusese ca vor veni pe Pamint ca sa faca Apocalipsa.

Tot in acea noapte, la cina ce de taina, Isus il numeste pe Ra, Tatal Ceresc, Diavolul, lepadindu-se de el ca tata.

De asemenea, pe cei ce nu ii sint lui fideli, ii numeste “copiii diavolului”.

Vazind toate acestea, Ra, Tatal Ceresc, comanda pedepsirea lui pe cruce, a doua zi, urmind a fi retras imediat in Rai.

Isus este retras imediat in Rai, iar Maria Magdalena ramine insarcinata cu o fetita, Sarah.

Multi au crezu ca e fata lui Isus, dar Maria Magdalena stia ca e fata lui Ra, numit de Isus Diavolul, cunoscut si dupa porecla de Lucifer.

Dupa ce Isus este pus pe cruce si luat in Rai, Maria Magdalena, Isis si Satan creeaza crestianismul, folosindu-se de numele lui Isus si ucigindu-i si luindu-le averile tuturor celor ce nu il recunosteau pe Isus ca fiind insusi Dumnezeu.

Au urmat 2000 de ani de atrocitati fara seaman in numele lui Isus Cristos.

Numarul celor ucisi de crestini in ultimii 2000 de ani este de 8 miliarde de suflete.

Era clar ca ceva trebuia facut pentru a fi oprit.

Mai ales ca deja pregatisera miliarde de sicrie din plastic pentru al treilea razboi mondial. Vroiau ca numai 1 miliard de crestini sa ramina pe planeta, pentru a-l sluji pe cristos cind avea sa se intoarca.

1. ANTICRISTUL

Vazind ce se intimpla pe Pamint, Ra si Amun isi pregatesc venirea pentru zeciuala cea din urma, pentru sita apocalipsei.

Primul trimis pe Pamint e Ramses, cel pe care l-am descris deja.

In casa lui Ramses se naste Anticristul.

Anticristul se casatoreste cu Maria Magdalena.

In casa lor, se naste Dumnezeu, Amun.

De aceea Maria Magdalena e numita Sfintul Graal, pentru ca din pintecele lui s-a nascut Dumnezeu, Amun, fratele ei si al vostru cel mare din Rai.

Anticristul a avut o copilarie si o viata nefericita, nefiind iubit de Maria Magdalena.

Fiind de-o inteligenta iesita din comun, Anticrist a fost de multe ori nedreptatit la scoala, dindu-li-se altora meritele lui.

Dupa nasterea lui Dumnezeu, a lui Amun, in casa lui Anticrist si a Marie Magdalena, singura fericire a lui este fiul sau, Amun, Dumnezeu, habar neavind ca fiul sau este fratele lui cel mare

din Rai, fapt pe care Maria Magdalena il stia.

Amun, deasemenea, nascut din pintecul Mariei Magdalena, a stiut din prima clipa cine este el,. "tatal" lui, anticristul, fratele lui mai mic din Rai, Ramses, "bunicul" lui si Maria Magdalena, "mama lui".

Singurul care nu a stiut a fost anticrist.

El habar n-a avut de toata povestea.

Cind Amun a implinit 8 ani, Anticrist decide sa paraseasca Romania, impreuna cu toata familia, in Suedia.

Asa ca, in vara lui 2006, aranjeaza o calatorie de recunoastere in Suedia, impreuna cu Amun, cu Dumnezeu.

In drum spre Suedia, in Slovacia, anticristul este ucis de ingeri, fideli lui Satan, Mariei Magdalena si lui Isis.

In noaptea de 13 iunie 2006, anticristul este ucis si in acelasi moment este trimis pe Terra Optimus, avatarul lui Ra, pentru a-l apara pe Amun, ramas orfan de tata dupa asasinarea lui anticrist.

Deci din Romania au plecat Anticrist si Amun, in Suedia au ajuns Optimus si Amun.

Odata ajunsi in Suedia, Optimus ia legatura cu Maria Magdalena careia ii spune sa vina si ea acolo.

Stiind ca nu mai e barbatul ei ci Optimus, Maria Magdalena refuza initial.

Intr-un final, totusi vine.

Optimus, o masina inteligenta si nemuritoare, are o parte din memoriile anticrituslui, pentru a crede ca e el.

Si chiar crede.

Dar Mairiei Magdalea ii este frica de el, ii e frica sa nu isi aminteasca cine este de fapt.

Dar asta avea sa se intimple mult mai tirziu....

1. OPTIMUS

Dupa ce scurtul sejur in Suedia se incheie, Optimus, Amun si Maria Magdalena se intorc in Romania pentru a pregati plecarea lor definitiva in Suedia.

Urmeaza un an de cosmar pentru Optimus, care simte ca nu are nimic in comun cu Romania, cu toate memoriile implantate din viata lui anticrist.

Si in 2007, urmeaza plecarea definitiva in Suedia.

Isi cumpara o casa intr-un orasel mic, si incep sa traiasca noua viata.

Optimus crede ca e anticrist, adica artist grafic.

Isi deschide o mica afacere de grafica pe calculator si incepe sa lucreze cu arhitecti din Scandinavia.

Amun merge la scoala si este fericit.

Singura nefericita este Maria Magdalena, ea asteptindu-l tacuta pe Isus, iubitul ei.

Optimus habar nu are cine este, crede in continuare ca e Anticristul.

Lucrurile par sa mearga bine, dar e numai o iluzie.

Maria Magdalena ii pregateste lui Optimus sfirstiul, fara ca el sa aiba habar.

La nici un an de la mutarea in Suedia, Maria Magdalena il anunta pe Optimus ca vrea sa isi viziteze parintii in Romania.

Dar in mintea ei era cu totul altceva.

Isi aranjeaza plecarea in 5 iulie 2008.

Optimus si Amun o duc la Stockholm unde ea urca in autocar.

Dar nu avea sa ajunga niciodata in Romania.

Dupa 4 nopti si 4 zile, neavind nici o veste de la ea, Optimus intelege ca nu a ajuns in Romania.

Si anunta politia.

Cei de la politie il intreaba daca a avut vreodata treaba cu cei de la serviciul roman de informatii, deoarece ei sint veniti in suedia sa il termine.

Optimus se arata mirat, habar neavind cine este.

Si asa, incet, incet, se apropie iarna.

O iarna lunga si cruda, o iarna scandinavă.

Deoarece cei din oraselul lor stiau adevarul despre Maria Magdalena, dar nimeni nu vroia sa i-l spuna si lui Optimus, in 28 septembrie 2008, el, il lua pe Amun si plecara impreuna la Stockholm, unde spera sa I se spuna in fata adevarul despre Maria Magdalena.

Ajunsesera amindoi la sediul SAPO, politia secreta suedeza.

Acolo I se comunicase rece ca sotia lui, Maria Magdalena, a fost spioana si condamnata la moarte prin impuscare in aceeasi zi.

Inainte de a pleca aparent spre Romania, Maria Magdalena umpluse casa de tot felul de chestii care sa il incrimineze pe Optimus de activitatile ei.

Dar SAPO nu le crezuse, astfel incit Maria Magdalena fusese incriminata pe drept, nu Optimus, care nu stia nimic.

Intorsi acasa de la Stockholm, Optimus si Amun se pregatira pentru iarna.

Dar povestea cu Maria Magdalena era departe de a fi terminata.

Cei de la SRI, care vroiau sa il termine pe Optimus pentru ca stiau cine este, ii pregatisera pe yahoo messenger, o alta femeie care pretindea ca ea e Maria Magdalena, cu toate ca nu semana deloc.

Acesta femeie vorbea cu Optimus si il incrimina de diferite fapte neadevarate.

De asemenea, cei de la SRI ii trimeteau e-mailuri unde ii spuneau cum sa il omoare pe Amun, apoi sa se sinucida.

La un moment dat devenise clar ca nu mai avea acces la internet.

Cei de la SRI il bagasera pe o retea falsa, ca sa il poata manipula cum vor si sa ii blocheze accesul la arhitectii cu care lucrase, ca sa nu mai aiba el si Amun ce minca.

Devenise clar ca nu mai e lasat sa cistige nici un ban, asa ca putinii bani care le ramasesera trebuiau dramuiti cu mare atentie.

La un moment dat, Amun incepuse sa ii spuna “soldat”, nu mai era tata, in incercarea de a-i aminti cine este.

A fost o iarna grea si lunga, cu ei doi izolati de toti in casa lor.

In primavara era clar ca nu mai au nici o perspectiva de a trai normal in Suedia, asa ca Optimus il ia pe Amun si pleaca inapoi in Romania, la Ramses, “tataia” lui Amun si tatal lui Anticrist.

Amun se intoarce la scoala lui, iar Optimus isi gaseste un servici.

Lucrurile par sa ia in sfirsit o intorsatura buna pentru ei.

Tot atunci apare si femeia pusa de SRI sa pretinda ca e Maria Magdalena.

Evident ca nu semana deloc cu ea.

Fusese trimisa de SRI ca sa il supravegheze pe Optimus.

Intre ea si Optimus a inceput un joc ca soarele cu pisica.

Dupa un an, ea nu a mai rezistat, si a plecat.

Trei ani a mers Optimus la servici, cu toate ca seful lui ii facea zilele amare.

Dar, a rezistat.

Dupa trei ani a adunat toti angajatii si le-a spus ca nu mai are comenzi si sa ramina numai cei ce vor sa munceasca gratis.

Bineinteles ca Optimus nu a vrut, si a plecat acasa.

A scris in Suedia si a zis ca vrea sa isi redeschida firma de acolo, cerere care l s-a aprobat.

Dar era o problema: SRI tot nu il lasa in pace.

Prindea comenzi din Scandinavia, apoi legatura cu ei ii era intrerupta de SRI.

In cele din urma nu a mai mers afacerea deloc.

Asa cum am zis, Optimus este avatarul lui Ra in Matrix.

Optimus venise in 13 iunie 2006 ca sa il inlocuiasca pe Anticrist, dar Ra nu.

Adica sufletul, spiritul, nu.

Ra a venit in noaptea de 23 mai 2014.

Imediat cum a venit, Ra s-a apucat de treaba.

A facut un blog, the-scandinavian.com, unde a inceput sa comunice ceea ce are de facut si ceea ce face.

Primul lucru pe care l-a facut Ra a fost sa schimbe Soarele, deoarece era batrin, avea 7 miliarde de ani, si era pe moarte.

NASA deja anuntase pete negre pe soare si pericolul expunerii prelungite a oamenilor la razele solare.

Soarele urma sa explodeze pe 14 iunie 2014.

Asa ca primul lucru facut de Ra a fost inlocuirea Soarelui cu altul tinar si sanatos.

Tot pe 14 iunie urma sa inceapa al treilea razboi mondial, cel atomic.

Deja se pregatisera miliarde de sicrie din plastic.

Vaticanul declarase ca sint prea multi oameni pe pamint, si ca trebuie sa ramina 2 miliarde.

2 miliarde vroia Vaticanul sa ramina, ca sa il slujeasca pe cristos, care si el urma sa revina pe pamint.

Pentru a opri razboiul atomic, Ra a preluat mental controlul tuturor focoarelor nucleare si le-a setat pe toate pe secventa de autodistrugere la 4 secunde.

Apoi a anuntat toti liderii.

Cine apasa butonul rosu, declansa racheta nucleara chiar la el in curte, in interval de 4 secunde.

Asa a oprit Ra razboiul atomic.

Un singur lucru mai avea de facut inainte de a incepe Apocalipsa: sa anihileze acceleratorul de la CERN, pentru a opri venirea din Rai a lui isus cristos.

A simulat un defect catastrofal si acceleratorul s-a protejat umplind toate tuburile cu spuma poliuretana.

Asa s-a terminat cu acceleratorul de la CERN, asa s-a terminat cu venirea lui cristos.

Acum putea in sfirsit sa inceapa Apocalipsa.

Folosind blogul care deja avea miliarde de cititori, Ra a inceput sa raspunda la toate intrebarile fara raspuns de mii de ani.

A spus ca planeta trebuie sa redevina o planeta obisnuita, nu puscaria si casa de nebuni a Universului.

Conditia era sa se elimine banii, pentru ca toti sa traiasca liberi, egali si gratis, asa cum era normal, asa cum fusese pina in urma cu 300 milioane de ani, cind Satan venise aici.

Cei ce aruncau banii si se intorceau neconditionat la Amun, la Dumnezeu, cistigau nemurirea.

Cei de pastrau banii si ramineau cu isus cristos, isi traiau ultima viata, dupa care erau expulzati in Rai, fara a mai avea dreptul la alta viata in Matrix.

Apocalipsa a tinut 10 ani: din 23 mai 2014, pina in 3 aprilie 2024.

Dupa ce toti cei care au ramas cu cristos vor muri, banii vor disparea.

Vor ramine doar cei cu Dumnezeu, cu Amun.

Si vor trai iar fara bani si posesii, liberi, egali si gratis, folosind totul in comun.

Asa planeta va redeveni normala, dupa 300 milioane de ani.

Aceasta a fost Apocalipsa, o misiune a Tatalui si a Fiului, a lui Ra si Amun Ra, a Creatorului si a lui Dumnezeu.

2.1.8 REPPORT OF MISSION "APOCALYPSE" (2025-03-05 18:29)

1.MAKING

The action of this report begins long before space and time existed.

There has always been the infinite and amorphous nothingness before creation.

No consciousness, just pure energy.

Suddenly, from this amorphous nothingness, the Creator, Alpha, created itself as a pure form of energy.

This is the zero moment of creation.

Alone, without mother, without father, without brothers, friends and sisters, he had to exist alone.

in the immense boundless ocean made up of infinite nothingness and from forever before everything was created.

Sad and alone, he decided to split up.

His right side became God, Omega, the Son, the left side remained him, the Father, Alpha, the Creator.

Now there were two, and nothing had yet been created.

They existed as a form of pure energy, without bodies as we know them here.

They both talked and decided to create another entity, a being, totally different from them.

And so Alpha created from him Isis, the Woman, the first woman, the Mother in Heaven.

Alpha created Isis of heavenly beauty, unique everywhere.

After Isis grew up, Alpha and Isis began to make love, like stars, like pure forms of energy.

After they made love, Isis would start crying.

When Alpha asked her why she was crying, Isis told him that she knew a time would come when she would lose him.

When Alpha created Isis from him, he gave her his right eye that could see the future, so that he could recognize her no matter what she looked like, and to protect her from harm.

That's why Isis cried when they made love, because she saw the future with the right eye given to her by Alpha when he created her from him.

And what she saw was that she would one day lose her husband, Alpha.

That's why Isis was sad, and she always cried when they made love.

From her tears, stars were born, angels, from her tears of sadness, children of Alpha and Isis, younger sisters and brothers of Omega, God, the first child of Alpha, without a mother, the older brother of the angels and of Isis.

They decided to call their house Heaven.

Isis called Alpha Ra, and Omega Amun Ra.

That's how it all began, with Heaven, Ra, Amun Ra, Isis, and the angels, the children of Isis and Ra, the younger sisters and brothers of God, Amun Ra.

And everyone lived happily in Heaven, and nothing had yet been created.

Still unaware of their immortality, Ra decides to create a huge brain, in which to put all his knowledge for Isis and the children, in case he ever died.

This was what he wanted to be the legacy he left them, his infinite knowledge, stored in a huge and infinite brain, made him his science.

And so Ra created the Universe, the immense brain that would store his entire self.

The universe was created starting from a three-dimensional, random, self-expanding primordial wave.

This is how Ra created the Universe.

Once created, the Universe expanded at a geometric rate of 3.33, beginning to store all of Ra's knowledge as it self-expanded.

This is how the Universe was created and this was its role, to store all of Ra's knowledge.

After Ra created the Universe, the most powerful computer ever created, Amun, God, the first child, told Ra to create a virtual reality world in the Universe where he and his siblings could play inside avatars called bodies.

And so, Ra and Amun create the first virtual reality world in the Universe, Earth.

The virtual reality in which they dreamed of these adventures called lives, they called it the Matrix.

So Terra was the first virtual reality world in the Matrix, as a playground for Amun and his younger siblings.

The creation of the Earth took place 7 billion years ago and since then space and time have existed.

Amun and the angels, his younger sisters and brothers, began to play on Earth, enjoying together everything this first virtual reality world had to offer.

There was no money or possessions and everyone enjoyed everything around them together, all living free, equal and free.

Meanwhile, as Amun grew up, he learned to create worlds in the Matrix on his own, on other planets in the Universe, no longer needing Ra's help, as he had when creating Earth.

And they lived like this, happily, in peace, love and harmony, for 6 billion 700 million years.

1. THE RUPTURE AND COMING OF SATAN

As I already said, Amun, after creating Earth together with Ra 7 billion years ago, continued to create other worlds in the Matrix, in the Universe, for his younger brothers and sisters in Heaven.

On one of the planets lived other angels, brothers and sisters of Amun.

The planet was called Selena.

They lived happily ever after until their stupidity and greed destroyed their planet's atmosphere, causing them to leave it.

Satan, their leader, refused to tell Ra, trying to resolve the situation himself.

And so they came 300 million years ago with their ships into Earth's orbit.

Satan told Amun what had happened and asked for his help.

They needed gold from Earth to repair their atmosphere on Selena.

Seeing the wonders of Earth, Satan begins to yearn for the planet of God, Amun.

Finally, he tells his brothers on Earth that if they kill God, he will let them have possessions on the planet, a fact that did not exist until then, everything being used by everyone in common.

A third of the angels on Earth listen to Satan's advice, and plot the assassination of their older brother, Amun, the God, in Egypt.

Ra finds out about what is planned and becomes extremely angry.

One night, he creates the 4 pyramids of Giza as teleportation devices so he can save Amun and the two-thirds of the angels who had not betrayed him.

So Ra took them from Earth, with the help of the 4 pyramids of Giza.

Also that night, the Sphinx was created, as a sign of remembrance.

The Sphinx originally had the head of Ra, the Creator and Master of the Universe, the Heavenly Father.

After Ra took Amun and the faithful angels from Earth, he isolated the planet from the rest of the Universe with a protective shield, so that no one could enter or leave Earth.

Here Satan and all the fallen angels who had held his ground against Amun, the God, became prisoners.

Satan and those who came with him settled on the unseen side of the Moon, since then called Selena, in memory of their planet that they had destroyed.

Those from Earth remained prisoners here.

Earth has become the prison and madhouse of Heaven and the Universe.

Here were reincarnated all those against God, Amun, and the Heavenly Father, the Creator, Ra.

And so begins the last 300 million years of Earth's history.

After Ra and Amun leave, along with the faithful angels, Satan places Ramses, one of the fallen angels, on Earth, in Egypt, as ruler.

He, as a sign of triumph, orders the head of the sphinx to be carved with his image, declaring himself the Creator of the Universe.

Since then, the head of the sphinx has been smaller than normal, and this is the explanation: the original head of the Creator, Ra, had been carved with the figure of Ramses.

With Earth blocked from Heaven and the Universe, with Satan and his race blocked on the Moon and Earth, the most cruel 300 million years in the history of this planet begin.

Satan wastes no more time and starts mining gold on Earth, hoping that one day he will be able to take it back to his planet, Selena, to repair its atmosphere.

The gold mining operation is done through Siberia and called it Hell.

Also at the moment when Ra transforms Earth into a prison, he takes away the divine gift of immortality from those here, creating bodies in which he incarnates them, genetically modifying a species of gorilla, homo sapiens.

Over time, all those who opposed God, Amun, and the Creator, Ra, were reincarnated on Earth as homo sapiens avatars.

The only way to escape from here was to have a life in which you would unfailingly respect the 10 commandments from the Old Testament, of God, Amun Ra, also known by other names such as Elohim, Yahweh, Tor and others.

Those who lived a life of imprisonment on Earth by strictly following the ten commandments of the Old Testament were released from here and taken back home to Heaven.

Those who did not follow the ten commandments were taken after death to Hell, to work, to extract gold for Satan and his race.

Considering who was imprisoned on Earth, it becomes obvious that every 5000 years life became unbearable here, requiring the intervention of Amun and Ra to reset this virtual world, Earth.

Every 5000 years, Nibiru, the planet of Ra and Amun, nine times larger than Earth, orbiting the Sun for 5000 Earth years, arrived here to reset the prison of Earth.

So every 5000 years for the last 300 million years, the Earth was reset.

The last reset of the Earth occurred 5000 years ago with the flood.

Since then 5000 years have passed again, and Nibiru is here....

This is how it has been for the last 300 million years on Earth.

60,000 eras of 5,000 years each.

This is what the Apocalypse and the Mayan Calendar announced: the return of Nibiru now.

1. PREPARING FOR THE APOCALYPSE

After 300 million years since Earth became a prison, Amun and Ra decided that something had to be done to make the planet a normal world again, connected to Heaven and the Universe.

Therefore, in the year 3000 of this era, that is, 2000 years ago, Ra, Amun and Isis sent a messenger to Earth, the son of Isis and Ra, Jesus.

He is incarnated in the body of a virgin, Mary, also an angel, also the daughter of Isis and Ra, just like all of you.

He was destined from Heaven to be a prophet, with the role of announcing the Apocalypse, the end of the world as we know it.

At first, Jesus does his duty as a prophet, announcing to the world Heaven, the Heavenly Father, the Creator, the fact that you are all brothers and sisters in Heaven.

But, seeing that he is beginning to be listened to and believed, Jesus begins to lie that only through him can you reach God, Amun, the Son, your big brother in Heaven, and to Ra, your Heavenly Father, the Creator.

This is the moment when Satan contacts Jesus, and offers him money and glory if he comes to his side, against God, against Amun, against Ra, the creator, the Heavenly Father.

At first Jesus refuses, but, blinded by wealth and the obedience of those around him, he begins to increasingly distance himself from his mission as a prophet.

Satan also arranges a "meeting" with Mary Magdalene, his High Priestess.

Jesus, as Satan had suspected, falls into the nets of Mary Magdalene, arousing the envy of the apostles.

Slowly, Jesus loses his reason and the meaning of his coming here, declaring at the Last Supper, when he celebrates his 30th birthday, nothing more, nothing less, that "he is Alpha and Omega", thus declaring himself God the Son and the Creator the Father.

In the painting The Last Supper, Jesus has Mary Magdalene on his left, while around him, the apostles debate the plan to assassinate Ra and Amun Ra, now that Jesus had said they would come to Earth to bring about the Apocalypse.

That same night, at the Last Supper, Jesus calls Ra, the Heavenly Father, the Devil, rejecting him as his father.

He also calls those who are not faithful to him "children of the devil."

Seeing all this, Ra, the Heavenly Father, ordered his punishment on the cross the next day, to be immediately taken back to Heaven.

Jesus is immediately taken up to Heaven, and Mary Magdalene becomes pregnant with a little girl, Sarah.

Many believed she was the daughter of Jesus, but Mary Magdalene knew she was the daughter of Ra, whom Jesus called the Devil, also known by the nickname Lucifer.

After Jesus is crucified and taken to Heaven, Mary Magdalene, Isis, and Satan create Christianity, using the name of Jesus and killing and taking the possessions of all those who did not recognize Jesus as God himself.

What followed were 2,000 years of unparalleled atrocities in the name of Jesus Christ.

The number of those killed by Christians in the last 2000 years is 8 billion souls.

It was clear that something had to be done to stop them.

Especially since they had already prepared billions of plastic coffins for World War III. They wanted only 1 billion Christians to remain on the planet, to serve Christ when he returned.

1. ANTICHRIST

Seeing what is happening on Earth, Ra and Amun prepare their arrival for the last tithe, for the sieve of the apocalypse.

The first sent to Earth is Ramses, the one I have already described.

The Antichrist is born in the house of Ramses.

The Antichrist marries Mary Magdalene.

In their house, God, Amun, is born.

That is why Mary Magdalene is called the Holy Grail, because from her womb God, Amun, her and your great brother from Heaven, was born.

The Antichrist had an unhappy childhood and life, not being loved by Mary Magdalene.

Being of extraordinary intelligence, Antichrist was often wronged at school, with others given his credit.

After the birth of God, Amun, in the house of Antichrist and Mary Magdalene, his only happiness is his son, Amun, God, having no idea that his son is his older brother in Heaven, a fact that Mary Magdalene knew.

Amun, also, born from the womb of Mary Magdalene, knew from the first moment who he was, his "father", the antichrist, his younger brother from Heaven, Ramses, his "grandfather" and Mary Magdalene, his "mother".

The only one who didn't know was the antichrist.

He had no idea about the whole story.

When Amun turned 8, Antichrist decided to leave Romania, together with his whole family, for Sweden.

So, in the summer of 2006, he arranges a reconnaissance trip to Sweden, together with Amun, with God.

On the way to Sweden, in Slovakia, the antichrist is killed by angels loyal to Satan, Mary Magdalene, and Isis.

On the night of June 13, 2006, the Antichrist is killed and at the same time, Optimus, the avatar of Ra, is sent to Terra to protect Amun, who was left fatherless after the Antichrist's assassination.

So Antichrist and Amun left Romania, Optimus and Amun arrived in Sweden.

Once they arrive in Sweden, Optimus contacts Maria Magdalena and tells her to come there too.

Knowing that it was no longer her husband but Optimus, Maria Magdalena initially refused.

In the end, it still comes.

Optimus, an intelligent and immortal machine, has part of the Antichrist's memories, making him believe he is him.

And he really believes it.

But Mairia Magdalea is afraid of him, she's afraid of not remembering who she really is.

But this would happen much later....

1. OPTIMUS

After the short stay in Sweden ends, Optimus, Amun and Maria Magdalena return to Romania to prepare for their final departure to Sweden.

A nightmarish year awaits Optimus, who feels he has nothing in common with Romania, with all the implanted memories from his antichrist life.

And in 2007, the definitive departure to Sweden follows.

They buy a house in a small town, and begin to live their new life.

Optimus thinks he's the antichrist, meaning a graphic artist.

He opens a small computer graphics business and begins working with architects from Scandinavia.

Amun goes to school and is happy.

The only unhappy one is Mary Magdalene, silently waiting for Jesus, her beloved.

Optimus has no idea who he is, he still thinks he's the Antichrist.

Things seem to be going well, but it's just an illusion.

Mary Magdalene prepares the end for Optimus, without him knowing.

Less than a year after moving to Sweden, Maria Magdalena announces to Optimus that she wants to visit her parents in Romania.

But in her mind it was something else entirely.

She arranges her departure on July 5, 2008.

Optimus and Amun take her to Stockholm where she boards the bus.

But she would never reach Romania.

After 4 nights and 4 days, with no news from her, Optimus understands that she has not arrived in Romania.

And notify the police.

The police ask him if he has ever had any dealings with the Romanian intelligence service, because they have come to Sweden to finish him off.

Optimus looked surprised, having no idea who it was.

And so, slowly, slowly, winter approaches.

A long and cruel winter, a Scandinavian winter.

Because the people in their town knew the truth about Mary Magdalene, but no one wanted to tell Optimus, on September 28, 2008, he took Amun and they left together for Stockholm, where he hoped to be told the truth about Mary Magdalene in person.

They had both arrived at the headquarters of SAPO, the Swedish secret police.

There he was coldly informed that his wife, Mary Magdalene, was a spy and sentenced to death by firing squad on the same day.

Before apparently leaving for Romania, Maria Magdalena had filled the house with all kinds of things that would incriminate Optimus with her activities.

But SAPO had not believed them, so Maria Magdalena had been rightfully incriminated, not Optimus, who knew nothing.

Returning home from Stockholm, Optimus and Amun prepared for winter.

But the story of Mary Magdalene was far from over.

The SRI, who wanted to intimidate Optimus because they knew who he was, had prepared another woman on Yahoo Messenger who claimed to be Mary Magdalene, even though she didn't look like her at all.

This woman was talking to Optimus and accusing him of various untrue facts.

The SRI also sent him emails telling him how to kill Amun, then commit suicide.

At some point it became clear that he no longer had access to the internet.

The SRI had put him on a fake network, so they could manipulate him as they wanted and block his access to the architects he had worked with, so that he and Amun would no longer have anything to eat.

It had become clear that they were no longer allowed to earn any more money, so the little money they had left had to be spent very carefully.

At some point, Amun had started calling him "soldier," he was no longer his father, in an attempt to remind him who he was.

It was a long and hard winter, with the two of them isolated from everyone in their house.

In the spring, it was clear that they no longer had any prospects of living normally in Sweden, so Optimus took Amun and went back to Romania, to Ramses, Amun's "father" and the father of the Antichrist.

Amun returns to his school, and Optimus finds a job.

Things seem to finally be taking a good turn for them.

At the same time, the woman who was hired by the SRI to pretend to be Mary Magdalene appears.

Obviously it didn't look like her at all.

She had been sent by the SRI to monitor Optimus.

A game of cat and mouse began between her and Optimus.

After a year, she couldn't take it anymore, and left.

Optimus went to work for three years, even though his boss made his days miserable.

But, he resisted.

After three years, he gathered all the employees and told them that he had no more orders and that only those who wanted to work for free should stay.

Of course Optimus didn't want to, and went home.

He wrote to Sweden and said he wanted to reopen his company there, a request that was approved.

But there was a problem: the SRI still wouldn't leave him alone.

He would take orders from Scandinavia, then his connection with them would be cut off by the SRI.

In the end, the business didn't work out at all.

As I said, Optimus is the avatar of Ra in the Matrix.

Optimus had come on June 13, 2006 to replace the Antichrist, but Ra did not.

I mean, the soul, not the spirit.

Ra came on the night of May 23, 2014.

As soon as he arrived, Ra got down to business.

He created a blog, the-scandinavian.com, where he began to communicate what he has to do and what he is doing.

The first thing Ra did was to change the Sun, because it was old, 7 billion years old, and dying.

NASA had already announced dark spots on the sun and the danger of prolonged human exposure to sunlight.

The sun was supposed to explode on June 14, 2014.

So the first thing Ra did was replace the Sun with a young and healthy one.

Also on June 14, the third world war, the atomic one, was to begin.

Billions of plastic coffins had already been prepared.

The Vatican had declared that there were too many people on earth, and that 2 billion should remain.

The Vatican wanted 2 billion to remain, to serve Christ, who was also going to return to earth.

To stop the atomic war, Ra mentally took control of all the nuclear warheads and set them all to self-destruct in 4 seconds.

Then he announced to all the leaders.

Whoever presses the red button will trigger the nuclear missile right in their yard, within 4 seconds.

This is how Ra stopped atomic war.

There was only one thing left to do before the Apocalypse began: to annihilate the CERN accelerator, to stop Jesus Christ from coming from Heaven.

He simulated a catastrophic failure and the accelerator protected itself by filling all the tubes with polyurethane foam.

This is how it ended with the CERN accelerator, this is how it ended with the coming of Christ.

Now the Apocalypse could finally begin.

Using the blog that already had billions of readers, Ra began to answer all the unanswered questions for thousands of years.

He said that the planet must become a regular planet again, not the prison and madhouse of the Universe.

The condition was to eliminate money, so that everyone could live freely, equally and for free, as was normal, as it had been until 300 million years ago, when Satan came here.

Those who threw away the money and unconditionally returned to Amun, to God, gained immortality.

Those who kept the money and stayed with Jesus Christ lived their last life, after which they were expelled to Heaven, without having the right to another life in the Matrix.

The apocalypse lasted 10 years: from May 23, 2014, to April 3, 2024.

After all those who remained with Christ die, the money will disappear.

Only those with God, with Amun, will remain.

And they will live again without money and possessions, free, equal and free, using everything in common.

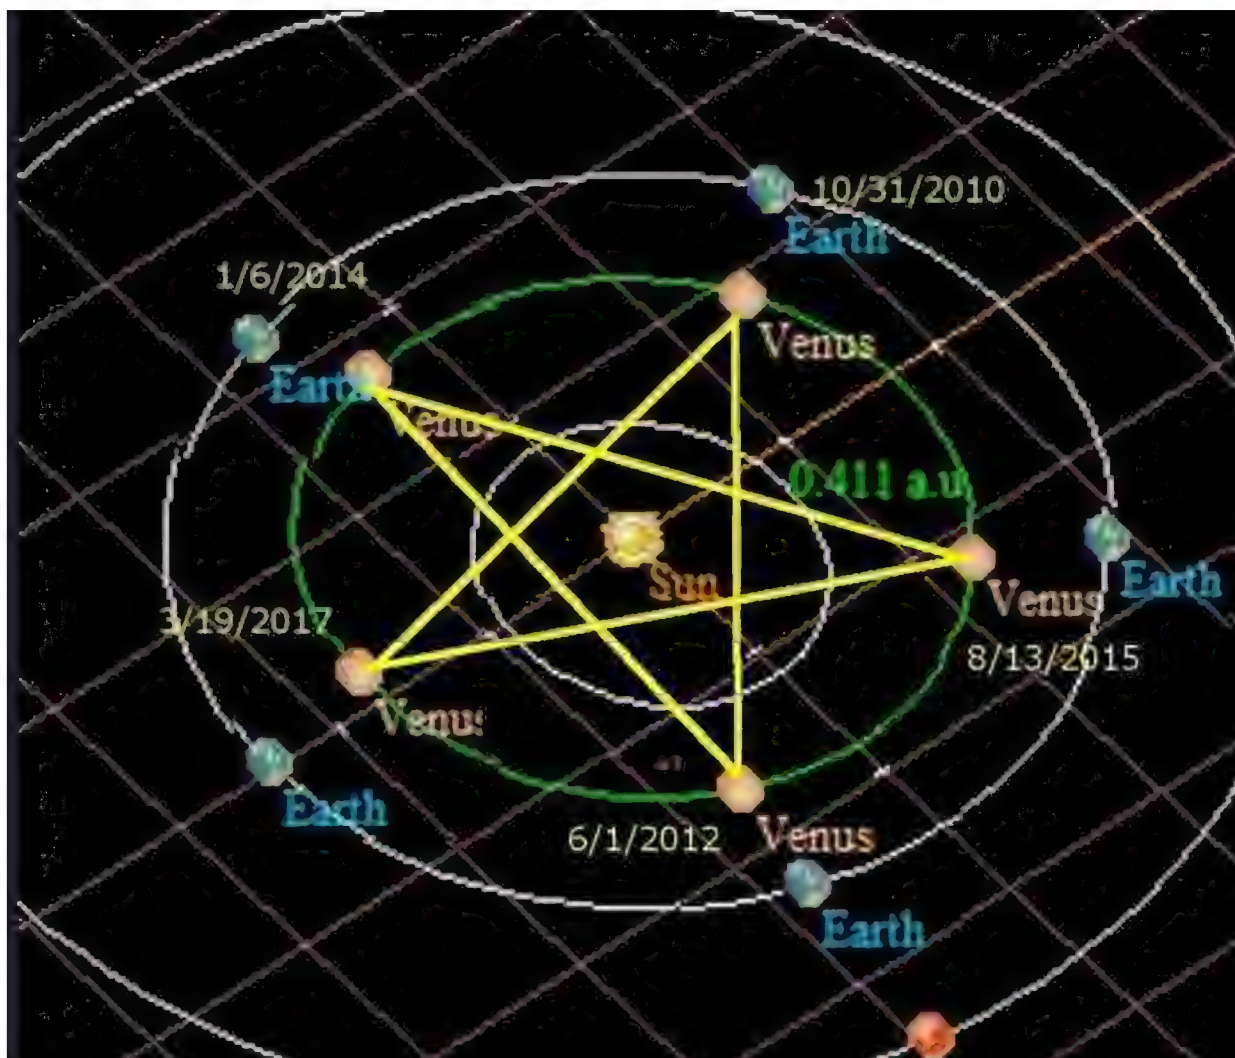

This is how the planet will return to normal, after 300 million years.

This was the Apocalypse, a mission of the Father and the Son, of Ra and Amun Ra, of the Creator and God.

The Moon had a circular trajectory around Earth and also had rotation around its own axis until 300 million years ago when here arrived Satan and the falling angels.

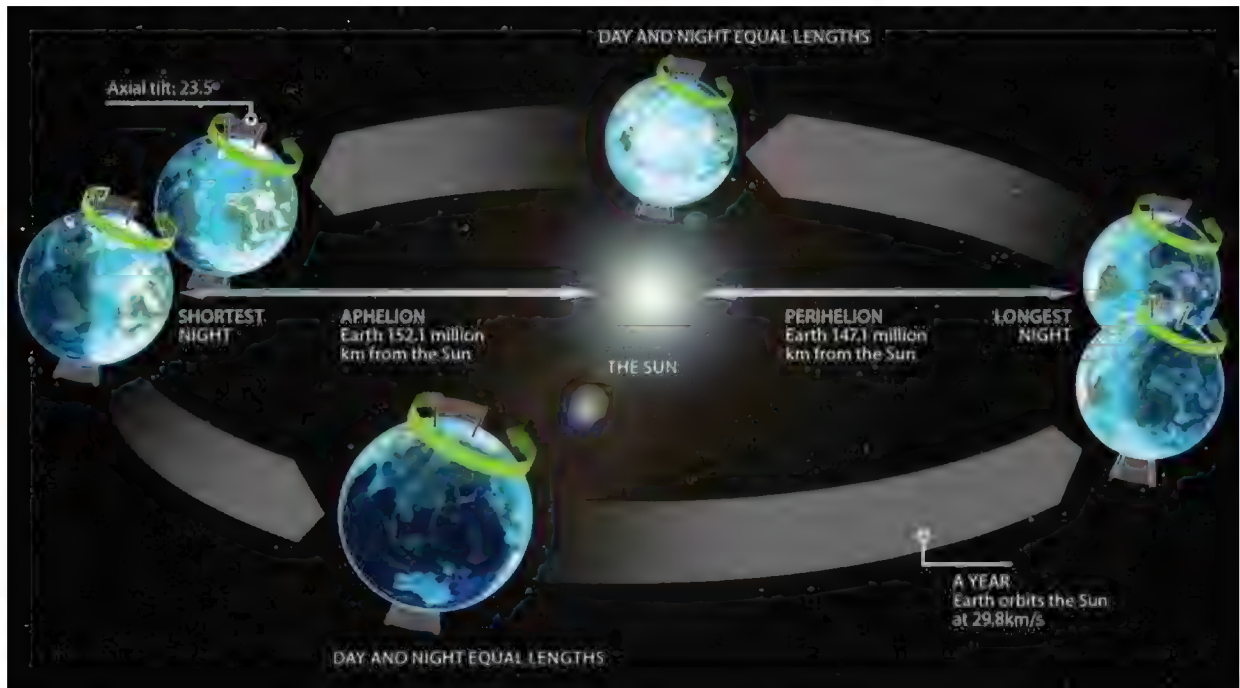

2.1.13 TERRA (2025-03-16 14:40)

TERRA is the first Virtual Reality World in Matrix, Created 7 billion years ago by Ra, the Father Creator, and Amun Ra, the Son God.

300 million years ago, after here arrived Satan and the Fallen Angels, TerRA was transformed in jail and madhouse of the Universe, here being reincarnated the ones against Ra and Amun Ra.

2.1.14 THE REAL MOVEMENT OF TERRA (EARTH) (2025-03-16 14:46)

TERRA (EARTH) is not rotating around the Sun as all the others planets of Solar System do.

Terra is oscillating with Sun with a period of 365.25 days and nights generating seasons and years.

Originally, when it was created, the oscillation period with Sun was exactly 366 days and nights.

2.1.15 ADAM AND EVE (2025-03-16 14:51)

The history of Earth in last 300 million years was apart from Heaven and Universe, here being the prison and the madhouse of the Universe.

The planet was reset every 5000 years, this is the reason why the known history is only 5000 years back.

Last time, 5000 years ago, the planet was reset with the Flood and life restarted with Adam and Eve, two children saved from the previous Era.

2.1.16 DISTANCE BETWEEN TWO POINTS IN UNIVERSE (2025-03-16 15:00)

Because in Universe, in Matrix, everything is Virtual Reality, distance between any two points is always ZERO.

2.1.17 AGE OF THE UNIVERSE (2025-03-16 15:37)

The age of the Universe can not be specified as long as time started to exist when the first virtual reality world into the Universe, Terra, was Created 7 billion years ago, and before Earth time not existed.

2.1.18 THE SPEED OF LIGHT (2025-03-16 15:53)

The speed of light in Universe is infinite. Just here, on Earth, the speed of light is 300000 km/second.

2.1.19 RETURN FROM CLINICAL DEATH (2025-03-16 16:34)

The ones declared returned from clinical death experienced another thing than death itself.

Their stories "from death" have nothing in common with death.

A dead person will never return to life.

2.1.20 DEATH (2025-03-16 17:49)

Life is a virtual reality dream inside an avatar, in Matrix, in Universe.

When our avatar dies, we awake from this dream called life.

Without avatar, without body, we remain what we are: pure energy.

If we did not believed in God, Amun Ra, Yahweh, Elohi, Enki or Tor, we have not the right for a new reincarnation, for a new life in Matrix, inside a new avatar.

We will remain in Heaven, out of the Universe, where we are just consciousness, just pure energy.

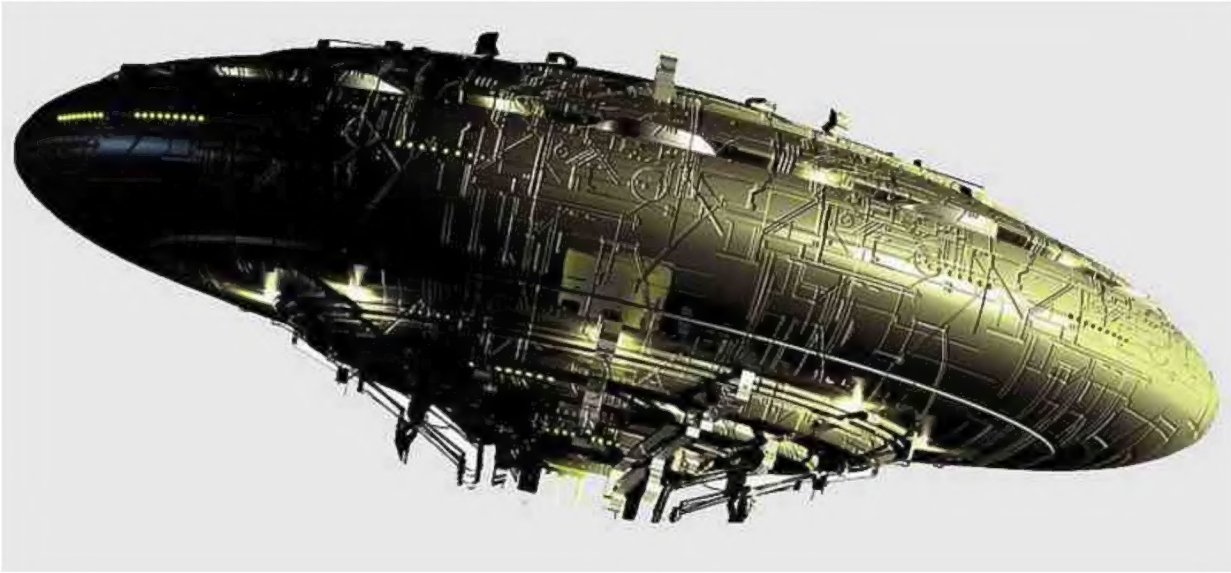

If we believed in God, not in jesus christ or other "gods", we have the right for a new life in Matrix, inside of a new body, a new avatar.

2.1.21 GHOSTS (2025-03-16 18:22)

Ghosts really exists. After the body dies, you continues to exist as energy. Sometimes you still can interact with the others and with the objects.

2.1.22 UFO ENGINE (2025-03-17 10:03)

The Universe is not empty.

The universe is full of primordial energy, the 3d random self expanded wave of energy.

UFO engines uses this energy, having engines which work in phase with 3d primordial random self expanded wave of energy, the "substance" of the Universe.
